**Quincy** Kathi S. Barton,2022-04-13

Quincy watched the woman move through the crowd He couldn't put his finger on it but something just felt off She was too close to the man in front of her not to be with him When the man purposefully stepped out in front of an oncoming truck it was all Quincy could do to stop her from the same fate She was deaf Her scent was familiar but she wasn't his mate Grace was upset with Quincy but didn't know why She was thankful that he saved her sister but she felt pissy and needed to take it out on someone and he made a good target But when he didn't retaliate she regretted her actions It didn't take but a second for Quincy to figure out that Grace was his mate But would she be as happy about it as he was Only time would tell

**Ruby**

Kathi S. Barton,2015-02-20 Ruby Erickson was the best OR surgeon the small hospital had Management had mandated that the doctors were to turn away any people for treatment that couldn't pay Under strict orders to follow the rules or else Ruby operated on the young woman anyway She'd never live long enough to survive the trip to County Josh Ewing was suffering from a bad breakup He had moved to the small town to get away from his cheating ex girlfriend and former best friend and partner His sister Bri was here and was all he had left in way of family When Bri comes up missing Josh is beside himself with worry He finds his sister in a small hospital listed as a Jane Doe in critical condition When he finds out that the doctor who saved her life had lost her job because she didn't turn his sister away he wants to do all he can for her She cut Josh off with a finger punching to his chest You're damn right I saved her life And do you think that because you put money in my account or

paid nearly a hundred grand to my loans that I m somehow going to be beholden to you You fucking bastard take it back All of it right now Josh shook his head and braced his arms over his chest as if to do battle Quentin took a step back now He wasn t stupid You heard me I want you to take back that money now or so help me you re going to need it for your own hospital bills Even if I could which I don t care if I can or not I won t do it You risked a great deal to save her life and I pay my debts Ruby growled and took another step toward Josh It took Quentin several seconds to realize that something had happened in that short period of time Ruby didn t have time for a mate not now not ever Josh wasn t happy about it either but discovered once he got past her stubborn surface that she really was a rare gem But trouble doesn t elude them for long That ex girlfriend of Josh s was into some heavy stuff things he didn t know about things that could get them all killed things that put them all on the radar of the wrong people

**Sweet Tempo** James P. Kain, 2009-05-11 From the Prologue of Sweet

Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted to travel they surprised me by not arguing At that point I wasn t sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You ll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up

*Galin Kathi S.*

Barton, 2014-10-26 Galin knows it s his turn and he isn t having any part of it He makes no bones about making it clear to Boss either that he both knows what he is up to and isn t going to cooperate He doesn t now or ever want a wife This boy you are going to protect is somewhat of a problem child He has had a great deal thrown at him but Boy Boss nodded and frowned No I m sorry but it should be a woman not a boy I m not you re going to assign me my wife to care for I don t want one but I

know it should be female What is this about He pushed the file back at Michael You want a wife It was my understanding that you have no wish to be wed Am I correct on that Galin nodded and looked at the file with the picture of a young boy on it He appeared to be in his early teens maybe but he wasn t much older than that Galin Do you wish for me to reassign you Do you have no desire to help this young man I thought I was going into the rotation to find me a wife The way that you did for Riss and Agon He looked up at Boss and Michael who had summoned him today I had thought that the Mystics were a way for you to get rid of us all and marrying us off was better than having us die I m I m not sure what s going on now Dusty McGee has just lost her sister to a horrific accident and finds herself saddled with a very angry young nephew to raise Now some self proclaimed protector Galin tells her that although he doesn t want to marry her he would very much like to take her to his bed She s had about all that she can stand Markum has set his sights on taking the boy to his realm convinced this is the alleged boy the demons have been searching for and Dusty is an added bonus

Barton,2023-11-20 From the moment Amy found out her brother was running for the presidency of the United States she moved out of the family home and changed her last name She loved her brother but she didn t love the limelight All she wanted was freedom The freedom to live her life the way she wanted without being in the shadow of the Secret Service all the time Taking pictures was her passion and that s what she would do and no one would stand in her way Amy had taken a lot of great shots of the animals at the zoo but if one more person asked her if she had permission to be there she would scream She just about had her camera in focus when another zoo employee approached her He introduced himself as Dr Dallas Dixon and instead of being upset with her he wanted her to take some pictures of a gorilla who had just given birth but the baby wouldn t live It didn t take long for Amy to realize that Dallas was a shifter and silverback to his troop You re the silverback The leader to her I don t know how that works but you re a shifter Gorilla shifter and leader That s why that other man said that you could order her to do Christ oh mighty Oh fucking no She turned her entire body and looked at the man sitting not ten feet from her You are not telling me that you have it in your impossibly small mind that I m whatever they call a silverback s mate are you No Don t answer that I don t need to nor do I want to know

now Boss was telling him his mate was here She s a lovely girl Broken too if you want to know the truth of it Perhaps you ve heard her mentioned She s the woman that saved that diner full of patrons about a week ago He d heard of it but didn t know her name The bill collectors are hounding her hourly However they are not putting the calls through to her room at the hospital for fear of upsetting her She s made some very good friends while staying there What happened to her Boss told him what she d done and how she d been shot And the bill collectors Why are they hounding her I m assuming that she has debt but it s more than that isn t it Yes she s now homeless and jobless Also with this other business of the credit card there is no way that she can make anything work out right for her Not without a great deal of help Valyn sat down on the wire wheel that had been left behind when the house had been rewired Valyn you told me that you were broken and why you thought so But this woman she can help you in ways that I cannot You could if you would just put me to sleep Boss shook his head What if I don t go and see her Don t take her as my mate Because I don t think my life could be any better to have her with me I m not good around people anymore I don t want to have someone depending on me for their wellbeing It s too much
