

The book cover features a dark, atmospheric photograph of a large, multi-story building with a prominent chimney, possibly a mill or factory, situated in a wooded area. The image is heavily stylized with vertical bands of color, including deep reds, oranges, and dark blues, creating a moody and dramatic effect. The title 'TWILIGHT' is printed in a large, white, serif font across the lower half of the cover.

Twilight William Gay:

Twilight William Gay, 2010-08-13 Suspecting that something is amiss with their father's burial, teenager Kenneth Tyler and his sister Corrie venture to his gravesite and make a horrific discovery: their father, a whiskey bootlegger, was not actually buried in the casket they bought for him. Worse, they learn that the undertaker Fenton Breece has been grotesquely manipulating the dead. Armed with incriminating photographs, Tyler becomes obsessed with bringing the perverse undertaker to justice. But first, he must outrun Granville Sutter, a local strongman and convicted murderer hired by Fenton to destroy the evidence. With his poetic, haunting prose, William Gay rewrites the rules of the gothic fairytale while exploring the classic Southern themes of good and evil.

Twilight William Gay, 2008 From the acclaimed author of *Provinces of Night* comes a Southern gothic novel about an undertaker who won't let the dead rest. *I Hate To See That Evening Sun Go Down* William Gay, 2002-10-15 William Gay firmly established himself as the big new name to include in the storied annals of Southern Lit Esquire with his debut novel *The Long Home* and his critically acclaimed follow-up *Provinces of Night*. Like Faulkner's Mississippi and Cormac McCarthy's American West, Gay's Tennessee is redolent of broken, colorful souls hard at work charting the pathos of their interior lives. His debut collection *I Hate to See That Evening Sun Go Down* brings together what Gay's dedicated readers are eager for and what new readers will find the perfect introduction to his world: thirteen stories that are mined from this same fertile soil teeming with the grizzled everyday folk that Gay is famous for bringing to life. In these pages, readers meet old man Meecham who escapes from his new nursing home only to find his son has rented their homestead to white trash Quincy Nell Qualls who not only falls in love with the town lothario but is pregnant; is faced with an inescapable end when he abandons her. Finis and Doneita Beasley whose forty-year marriage is broken up by a dead dog Bobby Pettijohn who is awakened in the middle of the night by the noise and lights of a search party looking for clues after a body is discovered in his backwoods. William Gay expertly sets these conflicted people who make bad choices in life and love against lush back country scenery and somehow manages to defy moral logic as we grow to love his characters for the weight of their human errors. Diverse as these tales are, what connects them is the powerful voice of a born storyteller.

The Lost Country William Gay, 2018 A wonder of Southern Gothic storytelling. Southern Living Best Southern Books of 2018. Southern Independent Booksellers Pick July 2018. Billy Edgewater is a harbinger of doom. Estranged from his family, discharged from the Navy, and touched by a rising desperation, he sets out hitchhiking home to East Tennessee where his father is slowly dying. On the road separately are Sudy and Bradshaw, brother and sister, and a one-armed con man named Roosterfish. All in one way or another have their pasts and futures embroiled with D. L. Harkness, a predator in all the ways there are. Hounded at every turn by scams, vigilantes, grievous loss, and unspeakable violence, Edgewater navigates the long road home searching for a place that may be nothing but memory. Hailed as a seemingly effortless storyteller by the New York Times Book Review and a writer of striking talent by the Chicago Tribune, William Gay with this long-awaited novel secures his place alongside

Faulkner O Connor and McCarthy as one of the greatest novelists in the Southern Gothic tradition Bowker's Guide to Characters in Fiction 2007 ,2008-02 Stories from the Attic William Gay,2024-07-16 From a celebrated master of the Southern Gothic comes a last collection of hard hitting short fiction his final posthumous work Beloved for his novels Twilight The Long Home and The Lost Country and his groundbreaking collection I Hate to See That Evening Sun Go Down William Gay returns with one final posthumous collection of short stories adapted from the archive found after his death in February 2012 In addition to previously unpublished short stories Stories from the Attic includes fragments from two of the unpublished novels that were works in progress at the time of his death Marked by his signature skill and bare knuckled insight this collection is a must read for William Gay devotees and fans of Southern short fiction **New Statesman** ,1996
