**The Ocean World of Jacques Cousteau: Window in the sea** Jacques Yves Cousteau, 1973 **Wild Sea** Joy McCann, 2019-04-25 This bracing history charts the myths, the exploration and the inhabitants of the all too real and wild circumpolar ocean to our south. The Sydney Morning Herald Pick of the Week. Unlike the Pacific, Atlantic, Indian and Arctic Oceans with their long maritime histories, little is known about the Southern Ocean. This book takes readers beyond the familiar heroic narratives of polar exploration to explore the nature of this stormy circumpolar ocean and its place in Western and Indigenous histories. Drawing from a vast archive of charts and maps, sea captains' journals, whalers' log books, missionaries' correspondence, voyagers' letters, scientific reports, stories, myths and her own experiences, Joy McCann embarks on a voyage of discovery across its surfaces and into its depths, revealing its distinctive physical and biological processes, as well as the people, species, events and ideas that have shaped our perceptions of it. The result is both a global story of changing scientific knowledge about oceans and their vulnerability to human actions and a local one showing how the Southern Ocean has defined and sustained southern environments and people over time.

Beautifully and powerfully written Wild Sea will raise a broader awareness and appreciation of the natural and cultural history of this little known ocean and its emerging importance as a barometer of planetary climate change A sensitive portrait of a complex ecosystem from krill to blue whales and of the ice winds and currents that are critical to the circulation of the world s oceans Harper s Wilderness seekers will rejoice in this stirring portrait McCann deftly navigates both natural glories and archival complexities Nature The Atlas of the Oceans Linda Sonntag,Trevor Norton,2001 An in depth look at oceans including their formation and evolution effects on climate plant and animal life and how humans have learned about and benefitted from the seas Storytown Ride the Edge Theme 3 Grade 5 Harcourt School Publishers,Isabel L.
