## World Series Deal:

*Bigger Deal* Anthony Holden, 2007-05-08 In the years since Anthony Holden wrote his classic memoir *Big Deal* the poker world has changed beyond recognition. When Holden played in the 1988 World Series of Poker there were 167 starters competing for a prize of 270 000. Since then poker has become the world's largest single competitor sport at the 2006 World Series there were almost 9 000 players and a first prize of 12 million the richest in any sport. What happened in the years between *Big Deal* and *Bigger Deal* could never have been predicted the Internet and television sparked a worldwide explosion in the popularity of poker one that shows no sign of abating. With the future of online poker now legally endangered in the United States Holden's vision of the poker boom comes at a critical moment in the game's history. In *Bigger Deal* Holden is your guide to the world of the new poker to the players who dominate the modern game and the personalities behind the multibillion dollar business it has become as he tries once again to win the world title. After all as Telly Savalas once reminded Holden a million dollars is never irrelevant. Not to mention twelve
