Amazon Marketplace. Which factors contribute to the fact that suppliers are increasingly looking for new trading platforms? Manuel Weber, 2021-03-30 Seminar paper from the year 2021 in the subject Business economics Trade and Distribution grade 2.0 Private University Schloss Seeburg language English abstract The aim of this research was to identify the reasons that lead Amazon sellers to move away from the marketplace and look for alternative opportunities Derived from this the research question arises Which factors contribute to the fact that suppliers are increasingly looking for new trading platforms as an alternative to the Amazon marketplace With the help of a literature research of theory and practical context hypotheses were developed which were examined by means of an expert interview Amazon is one of the largest companies in this age With its marketplace Amazon can generate the greatest reach in order to reach customers The problem that retailers currently have to deal with are on the one hand the extremely high fees that you have to pay to Amazon in order to be listed on the market at all and on the other hand the customer friendly and retailer unfriendly service from Amazon especially for complaints and returns is increasingly no longer acceptable for many retailers This means that many retailers have to look for alternative sales opportunities in order to remain competitive However it is extremely difficult to create such a simple and customer friendly online shop as Amazon or to find an alternative with the same large reach as Amazon *CRAFTING AND EXECUTING STRATEGY* Arthur A. Thompson, 2021 *Fast Company's Greatest Hits* Mark N. Vamos, David Lidsky, 2006 Since 1995 Fast Company has been the place to turn to for cutting edge business ideas and profiles of amazing companies and their leaders This hardcover collection gathers the magazine's best and most enduring articles The perfect book for Fast Forward's hundreds of thousands of devoted fans as well as those who missed these great articles first time around *The Best Service is No Service* Bill Price, David Jaffé, 2011-09-14 In this groundbreaking book Bill Price and David Jaffe offer a new game changing approach showing how managers are taking the wrong path and are using the wrong metrics to measure customer service Customer service they assert is only needed when a company does something wrong eliminating the need for service is the best way to satisfy customers To be successful companies need to treat service as a data point of dysfunction and figure out what they need to do to eliminate the demand The Best Service Is No Service outlines these seven principles to deliver the best service that ultimately leads to no service Eliminate dumb contacts Create engaging self service Be proactive Make it easy to contact your company Own the actions across the company Listen and act Deliver great service experiences **Customer Care** Sarah Cook, 2000 A comprehensive action plan for developing a quality driven customer care programme Emphasis is placed on strategic aspects while covering the basics such as customer service point of sale speed of delivery follow up and the ethos of total quality management and staff motivation Electronics Buying Guide, 2008
