Sometimes, though, we get the message that there's more we could be doing. Jim is living a good life—he doesn't have too much work, has time to enjoy the outdoors, has a great group of friends, terrific parents, and a girlfriend in the wings. But the year he turns thirty, when one friend is killed working for a charity in Afghanistan, and another friend joins Doctors Without Borders, he starts wanting to do more to give back. But what one morning he hears a voice: I have work for you. Come and find it. Following the voice, Jim has a series of other worldly experiences that lead him to a simple spiritual practice that he and his friends use to help each other—and the planet. If you've ever wished you could make a difference but don't quite know how, this book is for you. This is both an engaging story and a how-to guide—everything you need to know is inside.
