disability and those for whom English is a second language But unlike Flesch who stressed the differences between phonics and holistic practices Pedriana seeks common ground among reading practitioners He notes that there is plenty in the data for both sides to love and that failing to take advantage of that convergence is to mock our high minded expressions of children first     Bulletin of the State Normal School State Normal School (Lewiston, Idaho),1911     **Normal Instructor and Primary Plans** ,1926     **The Educator-journal** ,1921     Journal of Proceeding and Addresses National Education Association of the United States,1914 Vols for 1866 70 include Proceedings of the American Normal School Association 1866 69 include Proceedings of the National Association of School Superintendents 1870 includes Addresses and journal of proceedings of the Central College Association     **Addresses and Journal of Proceedings** National Education Association of the United States,1914 Vols for 1866 70 include Proceedings of the American Normal School Association 1866 69 include Proceedings of the National Association of School Superintendents 1870 includes Addresses and journal of proceedings of the Central College Association     The Journal of Proceedings and Addresses of the National Educational Association National Educational Association (U.S.),1914
