Sweatshop Warriors Miriam Ching Yoon Louie, 2001 In this up close and personal look at the heroines who make family community and society tick Miriam Ching Yoon Louie showcases immigrant women workers speaking out for themselves in their own words While public outrage over sweatshops builds in intensity this book shows us who these workers really are and how they are leading campaigns to fight for their rights In depth accessible analyses of the immigration labor and trade policies which together have forced these women into the most dangerous poorly paid jobs dovetail with vivid portraits of the women themselves Louie a longtime writer activist and well known figure in feminist immigrant and labor circles is uniquely poised to make her case that the labor of immigrant women worker activists not only sustains families and communities but the vibrant social activism that undergirds democracy itself With chapters on successful campaigns against Levi Strauss Donna Karan and restaurants in Los Angeles Koreatown among others Miriam Ching Yoon Louie is a longtime writer activist in campaigns to organize women of color She is national campaign media director of Fuerza Unida a board member of the Women of Color Resource Center and former media director of Asian Immigrant Women Advocates Her essays and articles on immigrant women and labor issues have been widely anthologized including in the 1997 collection *Dragon Ladies* Asian American Feminists Breathe Fire South End Press and she speaks at public events internationally She is the co author with Linda Burnham of *Women's Education in the Global Economy* Women of Color Resource Center 2000

**They Didn't See Us Coming** Lisa Levenstein, 2020-07-14 From an award winning scholar a vibrant portrait of a pivotal moment in the history of the feminist movement From the declaration of the Year of the Woman to the televising of Anita Hill's testimony from *Bitch* magazine to SisterSong's demands for reproductive justice the 90s saw the birth of some of the most lasting aspects of contemporary feminism Historian Lisa Levenstein tracks this time of intense and international coalition building one that centered on the growing influence of lesbians women of color and activists from the global South Their work laid the foundation for the feminist energy seen in today's movements including the 2017 Women's March and MeToo campaigns A revisionist history of the origins of contemporary feminism *They Didn't See Us Coming* shows how women on the margins built a movement at the dawn of the Digital Age

**Monthly Labor Review** United States. Bureau of Labor Statistics, 2003-08 Publishes in depth articles on labor subjects current labor statistics information about current labor contracts and book reviews

Sweatshop Warriors, Charlie Kernaghan head of the National Labor Committee and long time anti sweatshop activist in New York shows us the impact of outsourcing on working people around the world Working Americans from Illinois and North Carolina see their counterparts from Saipan Bangladesh and Salvador and find out how their employers are waging a race to the bottom

*Sweatshop Slaves* Kent Wong, Julie Monroe, 2006 Publication by students of the UCLA course Work labor and social justice Presents an account of the structure and organization of garment industry the arduous working conditions encountered by Asian immigrants and interviews of leaders of campaigns against sweatshops

*Political Affairs* Earl Browder, 2002 A theoretical and political magazine of scientific socialism      The Women's Warrior Society Lois Beardslee, 2008 The Women's Warrior Society is a remarkable gathering of characters and voices used to expose truths about Native American life In tightly woven prose Lois Beardslee tells stories about people from all over North America and from either side of the line between abused and abuser Both individual and archetypal Native and non Native male and female her characters take up arms against widely accepted stereotypes about Native people The women warriors in these tales have lived through a variety of mishaps experiencing the consequences brought on by misinformation and the misguided efforts of institutions and individuals Armed with this experience they gather in unlikely sweatlodges from kitchen tables to public libraries transforming into she wolves who lips curled snarl at their own victimization and assert that hope for future generations is maintained through creativity determination and the preservation of traditional values This is political writing at its most honest and creative Beardslee's style is poetic and lyrical and her voice shifting as it does both grips us with terrible tone and comforts us with familiar assurance A fierce call to action this book reads like a song cycle both singing to us and demanding that we sing in response Beardslee creates new strategies and measures of success Her warriors dance bark howl and transform themselves in unexpected ways that invoke tears laughter even awe They are above all driven successful and eternally hopeful      Women's Voices, Feminist Visions Susan Maxine Shaw, Janet Lee, 2007 An introductory women's studies reader which offers various classic conceptual and experiential writings It contains chapter introductions which provide background information on topics including explanations of key concepts and ideas and references to the subsequent reading selections      *Roosevelt, the Happy Warrior* Bradley Gilman, 1921      **International Labor and Working Class History**, 2002      **The Nation**, 2004      A New Protestant Labor Ethic at Work Ken Estey, 2002 Estey proposes a labor ethic that emphasizes the protest in Protestantism The purpose of this ethic is to interrupt the drudgery of the Protestant work ethic which Estey asserts is the dominant cultural ideal in the U S Protestantism must not be about capitulation to capitalism and a Protestant ethic that works must be one that questions and confronts authority in order to undo the newest and oldest forms of dehumanization as they pertain to workers labor issues and conditions in the workplace      *Rising Above Sweatshops* Laura P. Hartman, Denis Arnold, Richard E. Wokutch, 2003 Workers have basic rights that should not be violated notwithstanding the geographical locale of their work But those rights often appear to conflict with the economic and commercial needs of both developing nations and multinational enterprises Creative approaches are necessary if workers rights are to coexist with commercial success or even survival This book introduces the current global labor milieu and showcases innovative solutions via original case studies e g Nike Levi Strauss which demonstrate how multinational enterprises can respect worker rights while benefiting from the economic advantages of a global labor market Part I provides an overview of global labor challenges from a broad variety of perspectives including economics public policy philosophy and strategic management The facts and contention of the new sweatshop school of thought are analyzed along

with industrialization and utilization of labor in developing countries the application of basic human rights to the circumstances of workers the unique role of nongovernmental organizations in the debate over global labor practices and the Total Responsibility Management approach to implementing improved labor practices Part II analyzes case studies based on original field research of well known global corporations The examined programs provide examples of innovative responses by multinational firms the International Labor Organization and other NGOs to challenges regarding global labor practices These cases can help other firms avoid the unhappy dilemma of either exploiting workers and enduring a public relations backlash or terminating operations in various developing nations The true solution lies in companies respecting worker rights while benefiting from the economic advantages of a global labor market *Child Labor and Sweatshops* Ann Manheimer,2006 Abuses of child and adult workers have led to protests boycotts and treaties to end child labor and sweatshops Everyone agrees the worst practices must be stopped But debate rages over the underlying causes and whether workplace exploitation is an inevitable step in economic development or an avoidable human rights violation *The Anti-warrior* Milt Felsen,1989 In 1937 thirty six nervous young men dressed in ill fitting blue suits wearing berets and carrying identical black valises were given tickets for an American Export Lines ship They were told to conduct themselves as ordinary tourists to be inconspicuous They were volunteers for the Abraham Lincoln Brigade traveling the French underground to join in the fight against Franco Among them was Milt Felsen a young New Yorker and radical antiwar activist on the University of Iowa campus who had decided that fascism had to be opposed Some of these young men never made it to their destination But Milt Felsen did beginning a march across the Pyrenees which was only the first of his many battles and adventures Told with uncommon wit and verve this memoir of war and resistance is a stirring account of Felsen s involvement in two decades of battle Surprisingly this is a spirited and even funny book infused with Felsen s unbeatable personality After the Spanish Civil War Felsen helped form the O S S in World War II Taken prisoner of war he escaped in his inimitable style during a 1 200 mile prisoner of war march and drove out of Nazi Germany in a Mercedes Benz He returned to the United States more convinced than ever of war s insanity and its extreme human cost **Symposium** ,2008

**Courtroom Warrior** Richard O'Connor,1963 The Oxford Encyclopedia of the Modern World Peter N. Stearns,2008 The Encyclopedia of the Modern World delves into the period from 1750 to the present providing special attention to social economic cultural and political topics applicable to the time The breadth of knowledge offered within this multivolume set is astounding with features spanning articles on countries regions and ethnic groups themes involving social history demography family life politics economics religion thought education science and technology and culture events such as major wars and extensive coverage of the United States Detailed articles cover not only the major facts but the interpretations as well and are written for readers who are not specialists in the particular area Enriched with over 800 halftones and 50 maps this reference work is essential for any scholar general reader collector or curator interested in this
