## For Your Rental Property

### Drain Covers

Install anti-entrapment drain covers to ensure you are compliant with the Virginia Graeme Baker Pool & Spa Safety Act of 2007. (An act named for a 6 yr old girl who drowned as a result of a hot tub drain suction.)

### Swim Lessons

Keep your smallest residents safe by ensuring they have the skills to navigate the water. Host swim lessons at the beginning of the summer to add value for your residents & further ensure that children in your pool are safe.

### Childproof

Fencing can be both a helpful safety tool or a safety hazard depending on how and where it is installed. Fencing for pools should be at least 4 ft high with rails less than four inches apart to prevent climbing. Check local laws about correct pool signage.

### CPR Training

Host a CPR course that residents can join, and consider footing the bill for a few resident ambassadors to increase the likelihood that someone can assist in an emergency before emergency services arrives.

### Hire Out

Safety is about more than lowering drowning risks. Keeping your pool clean to keep residents healthy is also vital. Consider hiring this task out to ensure a job well-done without dealing with HAZMAT storage on-site.
