The Switch Lynsay Sands, 2016 [Summary, Analysis & Review of Chip Heath's and Dan Heath's Switch by Eureka](#)
Eureka, 2016-12-16 Summary Analysis Review of Chip Heath's and Dan Heath's Switch by Eureka Preview Switch How to Change Things When Change is Hard 2010 is about how to bring about change in an organization Its main focus is changing behavior by appealing to the rational and emotional sides of people's psyches To generate change authors Chip and Dan Heath maintain a leader must connect with both sides the rational and the emotional This is because sometimes one side can work against the other and sabotage successful change The rational side tends to analyze possibilities for change so much that it becomes unable to act so change never occurs The emotional side is ready or even eager to act on change but it can act compulsively and without focus This means that changes based solely on emotion are likely to fail To bring about real change a leader must stimulate the emotional side of a group's psyche to get the process of change underway then harness its rational side to give this change a concerted direction This companion to Switch includes Overview of the book Important People Key Takeaways Analysis of Key Takeaways and much more **Summary & Analysis of Atomic Habits** ZIP Reads, PLEASE NOTE This is a summary and analysis of the book and not the original book If you'd like to purchase the original book please paste this link in your browser <https://amzn.to/2KWimPs> In his New York Times bestseller Atomic Habits James Clear presents an easy actionable guide to making big changes in your life by starting with the smallest steps Learn how developing Atomic Habits can help you become the best version of yourself What does this ZIP Reads Summary Include Synopsis of the original book Key takeaways from each section What are atomic habits and how they work The four laws of habit forming and breaking How to change your environment to make habits easier Common pitfalls and mistakes that derail progress How to apply atomic habits to any area of your life Editorial Review Background on James Clear About the Original Book In his first book James Clear provides a wealth of advice he has practiced and accumulated over the years as he became an expert on habits through research and practice Atomic Habits is a system for making sweeping changes in your life by starting with the smallest easiest steps Each small action you take is another vote towards the person you want to become His book is an easy to follow guide to implementing his habit practice in your own life **DISCLAIMER** This book is intended as a companion to not a replacement for Atomic Habits An Easy Proven Way to Build Good Habits Break Bad Ones ZIP Reads is wholly responsible for this content and is not associated with the original author in any way Please follow this link <https://amzn.to/2KWimPs> to purchase a copy of the original book We are a participant in the Amazon Services LLC Associates Program an affiliate advertising program designed to provide a means for us to earn fees by linking to Amazon.com and affiliated sites
