Sydney And Simon Go Green:

Sydney & Simon: Go Green! Paul A. Reynolds, 2015-10-13 STEAM problem solvers and twin mice Sydney and Simon learn about the dangers of pollution and the power of recycling in this illustrated chapter book for young readers. Last we saw them Sydney Simon used science technology engineering arts and math skills to save wilting flowers in their window box. Now the twin mice are back to apply STEAM thinking to recycling. During a class field trip to the Aquarium Sydney is upset when she realizes that a green sea turtle has been harmed by garbage that made its way to the ocean. She must convince Simon that even if others don't intend to litter the garbage everyone puts in a trashcan may accidentally get swept into sewers streams rivers and possibly end up in the ocean. The twins collects data on the trash habits of their household and school and find they are all part of the problem. They need to figure out a way that their family their neighborhood and their school can cut down on garbage production and make better use of their discarded items. Short chapters paired with Peter H Reynolds's lively illustrations will inspire readers to take a closer look at their recycling habits and implement small changes to make a big difference.

The Birth of the Village of Liberta, Antigua Hewlester A. Samuel, 2007 Antigua a tiny island in the Caribbean. Like so many others it was host to slavery. This is the true story of the Africans enslaved on Antigua on the plantations in and around the village of Liberta before it was formed. Dehumanized, unchurched and worked like animals they suffered like all other slaves in the New World. There came to the island a group of Moravian missionaries who worked with the slaves of the plantations in the years of their oppression. While teaching Christianity these missionaries strived to create better conditions for the blacks. Then in 1834 came emancipation and the village of Liberta was born. This is the story of black Antiguans progress from slavery to freedom and the transformation of a slave culture into a free society a culturally, socially and economically thriving community. With details on many of the historical sites this is a story of survival, hope and liberation.
