Systematic Theology Robert W. Jenson, 2001 This volume begins with an extended discussion of Jenson's methodology and addresses questions on the nature of the Christian God including the classic christological and trinitarian questions

Systematic Theology : Volume 1: The Triune God Minnesota Robert W. Jenson Director Center for Catholic and Evangelical Theory, 1997-06-24 The Triune God together with the forthcoming second volume *The Works of God* develops a compendious statement of Christian theology in the tradition of a medieval summa or of such modern works as those of Schleiermacher and Barth Theology as it is understood here is the Christian church's continuing discourse concerning her specific communal purpose it is the hermeneutic and critical reflection internal to the church's task of speaking the gospel to the world as message and to God in petition and praise This volume and its successor are thus dedicated to the service of the one church of the creeds it is for no particular denomination or confession The interlocutors of this work's analyses and proposals are drawn from wherever in the ecumenical tradition a question may lead to theologians and traditions ancient medieval or modern Eastern or Western Catholic or Protestant

Systematic Theology, Volume One Stephen J. Wellum, 2024-02-15 Stephen Wellum's *Systematic Theology Volume One* is a Trinitarian reformational and baptistic systematic theology committed to serious evangelical engagement with the Scriptures Building on decades of research Wellum formulates doctrine exegetically covenantally and canonically for a new generation of students pastors church leaders and seasoned theologians as well

The Triune God Fred Sanders, 2016-12-06 A constructive study of Trinitarian theology that aims to clarify our knowledge of the triune God by rightly ordering the theological language we use to praise him The Triune God reaches its conclusions about how this doctrine should be handled on the basis of the way the Trinity was revealed As such theologian Fred Sanders invites a doxological invitation to the reader to contemplate the mystery of the Trinity Establishes the biblical

exposition and draws the doctrinal implications from it Offers dogmatic principles for Trinitarian exegesis Though Sanders does interact with major voices from the history of doctrine and his arguments are indebted to and informed by the great tradition of Trinitarianism he is clear throughout that Trinitarianism is a gift of revelation before it is an achievement of the church The most patristic way to proceed toward a well ordered doctrine of the Trinity is after all to study Scripture ABOUT THE SERIES New Studies in Dogmatics seeks to retrieve the riches of Christian doctrine for the sake of contemporary theological renewal Following in the tradition of G C Berkouwer s Studies in Dogmatics this series provides thoughtful concise and readable treatments of major theological topics expressing the biblical creedal and confessional shape of Christian doctrine for a contemporary evangelical audience The editors and contributors share a common conviction that the way forward in constructive systematic theology lies in building upon the foundations laid in the church s historic understanding of the Word of God as professed in its creeds councils and confessions and by its most trusted teachers

Systematic Theology Volume 1 James Wm McClendon, 2002-09-01 The radical effects of the 16th century Reformation have been felt through generations and have profoundly shaped theology James William McClendon explores the impact of these effects for the heirs of the Reformation in his celebrated three volume systematic theology With a new introduction by Curtis W Freeman these comprehensive volumes elucidate a distinctly Baptist vision of theology through McClendon s exposition of Christian ethics doctrine and witness In so doing McClendon provides readers with a robust vision for understanding Scripture the Church and the Christian s place within the world Divine Impassibility and the Mystery of Human Suffering James Keating, O.P. White, Thomas Joseph, 2009-07-14 James F Keating and Thomas Joseph White have gathered here a selection of essays that consider how God s suffering or lack thereof can relate to our redemption from and through human suffering The contributors Catholic Protestant and Orthodox tread carefully but surely over this thorny ground defending diverse and often opposing perspectives Divine Impassibility and the Mystery of Human Suffering is an excellent contribution to the latest stage in this difficult and important theological controversy BOOK JACKET **Creation and Salvation: A companion on recent theological movements** E. M. Conradie, 2012 Christians trying to save the planet have to relate creation with salvation This volume explores the ways in which this task is approached by a wide range of recent theological movements T&T Clark Handbook of the Doctrine of Creation, 2024-03-07 The T how the doctrine of creation informs and is informed by various dogmatic commitments and how the doctrine of creation relates to a range of human concerns and activities The Handbook represents a celebration of fascination with bewilderment at lament about and hope for all that is and serves as a scholarly innovative and constructive reference for those interested in attending to what Christian belief has to contribute to thinking about and living with the mysterious existence named creation **The Encycloedia of Christianity, Vol. 5** Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Written by leading scholars from around the world the articles in this volume range from sin Sufism and terrorism to theology in the 19th and 20th centuries

Vatican I and II and the virgin birth **Systematic Theology, Volume 2** Katherine Sonderegger, 2020-11-03 Katherine Sonderegger follows her monumental volume on the doctrine of God with this second entry of her Systematic Theology which explores the doctrine of the Holy Trinity Locating her analysis first in the Hebrew Scriptures Sonderegger examines the thrice holy God that is proclaimed to Isaiah in the sanctuary and manifested in the sacrifice of the temple The book of Leviticus read in conversation with Exodus unfolds the doctrine of the Trinity under the character of holiness In the one God Trinity speaks of the life movement and self offering of God who is the eternal procession of goodness and light In Israel s sacrificial covenant the triune God is perfect self offering the eternal descent of the Father of Lights is the offering who is Son eternally received and hallowed in the one who is Spirit Anchoring the theology of the Trinity in Israel s Scriptures in this way elevates the processions over the persons exploring the mystery of the Divine Life as holy rational and good The Divine Persons named in the New Testament cannot be defined but may be glimpsed in the notion of perfection a complete and perfect infinite set In all these ways the Holy Trinity may be praised as the deep reality of the life of God **Divine Simplicity** Steven J. Duby, 2015-12-17 Steven J Duby examines the doctrine of divine simplicity This discussion is centered around the three distinguishing features grounding in biblical exegesis use of Thomas Aquinas and the Reformed Orthodox and the writings of modern systematic and philosophical theologians Duby outlines the general history of the Christian doctrine of divine simplicity and discusses the methodological traits and essential contents of the dogmatic account He substantiates the claims of the doctrine of divine simplicity by demonstrating that they are implied and required by the scriptural account of God Duby considers how simplicity is inferred from God s singularity and aseity as well as how it is inferred from God s immutability and infinity and the Christian doctrine of creation The discussion ends with the response to major objections to simplicity namely that the doctrine does not pay heed to the plurality of the divine attributes that it eradicates God s freedom in creating the world and acting toward us and that it does not cohere with the personal distinctions to be made in the doctrine of the Trinity **The Trinity** Veli-Matti Kärkkäinen, 2007-01-01 Unique for its breadth in studying theologians not only from Europe and North America but also from Latin America Asia and Africa this landmark volume introduces the doctrine of the Trinity examining the work and thought of contemporary theologians throughout the world Veli Matti Karkkainen provides an overview of the biblical roots of the doctrine discussing both the idea of plurality in God in the Old Testament and the rise of Trinitarian understandings in the New Testament He details the historical growth of Trinitarian traditions and delves into specific theologies both Western and non Western Also including both an introductory consideration of the doctrine s significance and a concluding assessment and agenda for future thought Karkkainen s The Trinity is the broadest and most comprehensive contemporary study on the Trinity available **Jesus in the Trinity** Lincoln Harvey , 2020-01-30 Robert W Jenson 1930 2017 is America s most important theologian He thinks Jesus of Nazareth is always and for ever one of the Trinity Mary s boy and Pilate s victim is the Father s eternal Son so there has

never been an unfleshed Word The God of the Gospel is much stranger than we have imagined In Jesus in the Trinity Lincoln Harvey offers a penetrating guide into Jenson s remarkable proposal Demonstrating Jenson s signature moves as well as his fundamental re working of the dogmatic tradition Harvey shows how an evangelized metaphysics can make sense of the identity of Jesus Christ With time space causation and God s act of creation utterly re imagined through the course of these pages reality will look very different in light of Jenson s startling theology *Systematic Theology* Colin E. Gunton,Paul Brazier,Robert Jenson,Christoph Schwbel,2012-11-01 As most systematic theologians Colin Gunton planned to write a Systematic Theology towards the end of his life a summa of his theological thinking He did not live to fulfill this task However the first volume of this opus magnum existed in a draft form read by and discussed with eminent colleagues before Colin s premature death The text of this first volume is here presented in a carefully edited version by two of Colin s closest theological friends Robert Jenson and Christoph Schwoebel and one of his former PhD students They bring academic expertise deep knowledge of Gunton s theology and accuratesse to their task This text will be adding much to the understanding of Colin Gunton s theology and legacy **The Living God** Thomas C. Oden,1987 The Trinity Scott Swain,2020-10-06 Practical Theology for the Church Today The Trinity is one of the most essential doctrines of the Christian faith as it reveals a magnificent truth about God that he is one God eternally existing as three distinct persons While Christians often struggle to find the right words to describe the union of Father Son and Spirit the Bible gives clarity concerning the triune God s activity in nature creation grace redemption and glory reward In the second installment of the Short Studies in Systematic Theology series theologian Scott Swain examines the Trinity presenting its biblical foundations systematic theological structure and practical relevance for the church today **Systematic Theology** Augustus Hopkins Strong,1907 I The doctrine of God II The doctrine of man III The doctrine of salvation **The Princeton Seminary Bulletin** Princeton Theological Seminary,2006 Vols for 1907 1908 1936 1937 no 1 Commencement issue no 2 Necrology report no 3 News no 4 Catalogue v for 1937 1938 1938 1939 no 1 3 News no 2 Bulletin of courses no 4 Catalogue v for 1939 1940 1944 1945 no 1 4 News no 2 Bulletin of courses no 3 Catalogue v for 1945 1946 no 1 Bulletin of courses no 2 4 News no 3 Catalogue v for 1946 1947 1952 1953 no 1 3 4 News no 2 Catalogue
