T D Jakes Americas New Preacher

Mark P. Hutchinson, Mark Hutchinson

T D Jakes Americas New Preacher:

T.D. Jakes Shayne Lee, 2005-10 Shayne Lee an assistant professor of Sociology at Tulane University has provided us with the first critical examination of the most influential African American preacher of our time A socio cultural biography of sorts the author examines T D Jakes rise to prominence from the hills of West Virginia to multimillion dollar religious corporate enterprise But this book does more than follow the development of T D Jakes and his ministry As the author puts it Jakes becomes a prism through which the reader may learn more about contemporary American religion Lee contends that Jakes is an embodiment of traditional American cultural ideals and the postmodern features that inform what it means to be American in this contemporary moment Pop Matters Most of the public knows about the Bishop T D Jakes who graced the cover of Time magazine preached Woman Thou Art Loosed and filled stadiums across the country with throngs of weeping fans But how many know about the Jakes who boasted that he didn't have enough garage space for his luxury cars said Jesus was rich and once tried to evict the owners of a home he had just purchased though they only had a week to pay off their debts That portrait of Jakes comes courtesy of T D Jakes America's New Preacher Shayne Lee a sociologist and professor at Tulane University in New Orleans asks hard questions about Jakes ministry Atlanta Journal Constitution Jakes has risen from poverty in the mining towns of West Virginia to a multimillion dollar faith industry based in Dallas benefiting from the controversial trend toward prosperity religion Lee examines the rags to riches life of Jakes in the broader context of changes in how Americans view religion Booklist Lee offers an intriguing exploration of Jakes's popularity His entrepreneurial spirit and multimedia approach have endeared him to millions while his lavish lifestyle and focus on Christians right to material prosperity continue to spark criticism Lee avoids heavy jargon and effectively pares his study down to the essentials making this an accessible portrait Publishers Weekly Places an important contemporary African American religious leader in the context of recent trends in American religion in general and also of certain traditions of the Black Church in the African American experience Lee's description and analysis of the phenomenon that is T D Jakes helps us gain a greater understanding of contemporary American religion and of African American religion as at once patently distinct but also quintessentially American Milmon Harrison Ph D author of Righteous Riches The Word of Faith Movement in Contemporary African American Religion T D Jakes has emerged as one of the most prolific spiritual leaders of our time He is pastor of one of the largest churches in the country CEO of a multimillion dollar empire the host of a television program author of a dozen bestsellers and the producer of two Grammy Award nominated CDs and three critically acclaimed plays In 2001 Time magazine featured Jakes on the cover and asked Is Jakes the next Billy Graham T D Jakes draws on extensive research including interviews with numerous friends and colleagues of Jakes to examine both Jakes's rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly looking at the

ramifications of his rise and the rise of similar preachers for the way in which religion is practiced in this country how social issues are confronted or ignored and what is distinctly American about Jakes's emergence While offering elements of biography the work also seeks to shed light on important aspects of the contemporary American and African American religious experience Lee contends that Jakes's widespread success symbolizes a religious realignment in which mainline

Evangelicals Incorporated Daniel Vaca,2019-12-03 American evangelicalism is big business It is not Daniel Vaca argues just a type of conservative Protestantism that market forces have commodified Rather evangelicalism is an expressly commercial practice in which the faithful participate learn and develop religious identities by engaging corporations and commercial products *For the Souls of Black Folks* Cari Jackson,2013-05-21 *For the Souls of Black Folks* examines the impact of black religious culture in shaping the ethical values and sociopolitical condition of U S blacks The book reviews the nexus of theological traditions and historical factors that have formed black churches as environments where preachers serve as the moral compass for black churchgoers *For the Souls of Black Folks* builds upon the work of sociologist W E B Du Bois who highlighted the presence of a double consciousness in the collective psyche of blacks stemming from racial oppression The book explores the ways in which that double consciousness often reflected in black preaching socializes black Christians to subjugate their own moral authority to that of black preachers The central argument is that this socialization to submit to preachers greatly underserves black churchgoers in developing and exercising their own power and authority as social agents and thus significantly impedes the full sociopolitical liberation of all blacks The book offers important new preaching strategies that more effectively facilitate the empowerment of blacks as critical agents of social transformation and healing in the twenty first century **The Oxford History of Protestant Dissenting Traditions, Volume V** Mark P.

Hutchinson,Mark Hutchinson,2018 Volume V extends the study of the Oxford History of Dissenting Protestant Traditions series into the twentieth century following the spatial cultural and intellectual changes in dissenting identity and practice as these once European traditions globalized and settled down in other places **Connect to Your Calling Digest** T. D. Jakes,2024-06-04 Bestselling author Bishop T D Jakes shares this essential guide to recognizing understanding and utilizing your spiritual instincts to find God's calling in your life Instant smash hit and 1 New York Times bestseller for six weeks Bishop T D Jakes *Instinct* showed readers how to tap into their intuition to achieve ultimate success Now you can apply those lessons with this collection designed to encourage you on your faith journey Combining social business and personal examples with biblical insights this personal application guide will show you how to rediscover your natural aptitudes and reclaim the wisdom of past experiences Knowing when to close a deal when to take a risk and when to listen to your heart will become possible when you're in touch with the instincts that God gave you If you're ready to unlock your destiny and discover where you were meant to go then this book is your key **A Philanthropic Covenant with Black America** Rodney M. Jackson,2009-03-30 *A Philanthropic Covenant* will feature eight essays from several prominent African American

grantmakers scholars activists and clergy that will examine critical elements of modern philanthropy and how they affect Black communities for good and for ill Each chapter will include statistical documentation of the issues strategic recommendations to improve the quality of Black life and examples of outstanding models already being practiced throughout the country A Philanthropic Covenant is intended to inform individuals grantors religious organizations fundraisers and youth how philanthropy time talent and treasure can be strategically mobilized to assist Black communities in dealing more effectively with the issues outlined in The Covenant with Black America Throughout the book emphasis will be placed on the role responsibilities and potential of African Americans and African American philanthropy in particular to affect positive change in their own communities

Sister Wit Jacqueline Jakes,2007-09-03 Featuring a combination of powerful devotions and inspirational quotes for meditation SISTER WIT addresses all the trials and triumphs that encompass a woman s life Jacqueline Jakes explores four areas of life and the ways in which they affect readers

Black Megachurch Culture Sandra L. Barnes,2010 This book identifies how church cultural components are created developed and used to educate and empower adherents and whether and how these tools are associated with the historic Black Church The book is particularly interested in how large Black congregations megachurches use rituals found in worship theology racial beliefs programmatic efforts and other tools from their cultural repertoire to instruct congregants to model success in word and deed The book s findings illustrate that Black megachurches strive to model success on various fronts by tapping into effective historic Black Church tools and creating cultural kits that foster excitement expectation and entitlement

Instinct T. D. Jakes,2014-05 Jakes outlines how to re discover one s natural aptitudes and re claim the wisdom of past experiences to become in sync with the opportunities life offers

Global Pentecostalism David Westerlund,2009-03-30 Pentecostalism is a movement within Christianity placing special emphasis on a believer s personal encounter with God through the Holy Spirit It is arguably the world s fastest growing form of religion While exact figures are uncertain there may now be as many as 500 million Pentecostals Closely related to other forms of born again Christianity Evangelical and Charismatic Pentecostalism has been described as a religion made to travel From the outset it has been a strong missionary movement and has been oriented towards recruitment and expansion Research into this important form of Christianity has become more popular of late but the movement s remarkably fast spread is still not well understood In particular its constant worldwide encounters with other religions and beliefs as well as with different forms of Christianity have seldom been explored at length This rich and varied book remedies that neglect Although its adherents supposedly preach a universal message in practice Pentecostalism s global spread has resulted in increasing diversification The volume investigates the consequences of that spread and of the accommodations Pentecostal missionaries have to make when faced by pluralism and the challenges posed by ecumenism Ranging across every major continent the contributors to the volume make a significant contribution towards a fuller and more complete understanding of this remarkable world faith Pentecostalism is topical fast expanding newsworthy and exotic

This is the definitive collection by international experts on the movement It is the first book to address Pentecostalism s fascinating relationship with other faiths and beliefs **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped,2007 **A New Paradigm of Pentecostal Power** Asonzeh F. K. Ukah,2008 Ukah describes with great historical and sociological incisiveness one of the prime movers of this transformation the Redeemed Christian Church of God RCCG which has more than 10 000 congregations in more than 80 countries around the world

God's Own Country Stephen Bates,2007 Right wing evangelical Christianity has come to dominate American political and social life in recent years dividing the country and sparking cultural and moral battles whose outcome will determine how the world s only superpower is shaped in the 21st Century High politics and low tactics frame a fierce debate which goes much further back in the country s history than the accession of George W Bush in 2001 It s a battle that sears America s soul and affects the world In this book Stephen Bates explains why what happens in the Bible Belt matters to us and how there are those who hope to export the battle to Britain American fundamentalist religion has the potential to impact on crucial and acutely dangerous areas of the world Its priorities are often arcane and sometimes weird But it is already affecting American government policy at home and abroad not least in Israel and the Middle East where some are predicting the world s last and greatest battle will be fought Where will America s battle for its soul take the world and will it be a better place *The Publishers Weekly* ,2005 *Religion and American Culture* ,2006 **Religion and Democracy in the United States** Alan Wolfe,Ira Katznelson,2010 The United States remains a deeply religious country and religion plays an inextricably critical role in American politics Controversy over issues such as abortion is fueled by opposition in the Catholic Church and among conservative Protestants candidates for the presidency are questioned about their religious beliefs and the separation of church and state remains hotly contested While the examination of religion s influence in politics has long been neglected in the last decade the subject has finally garnered the attention it deserves In Religion and Democracy in the United States prominent scholars consider the ways Americans understand the relationship between their religious beliefs and the political arena This collection a work of the Task Force on Religion and American Democracy of the American Political Science Association thoughtfully explores the effects of religion on democracy and contemporary partisan politics Topics include how religious diversity affects American democracy how religion is implicated in America s partisan battles and how religion affects ideas about race ethnicity and gender Surveying what we currently know about religion and American politics the essays introduce and delve into the range of current issues for both specialists and nonspecialists In addition to the editors the contributors are Allison Calhoun Brown Rosa DeLauro Bette Novit Evans James Gibson John Green Frederick Harris Amaney Jamal Geoffrey Layman David Leal David Leege Nancy Rosenblum Kenneth Wald and Clyde Wilcox

The T.D. Jakes Legacy Collection T. D. Jakes,2015-12-15 The legacy messages of Bishop T D JakesRediscover the foundational messages of Bishop T D Jakes now available as a packaged collection The core messages in this collection

launched T D Jakes from his humble beginnings as a small town preacher into a place of international ministry and outreach The timeless insights within *Hollywood Faith* Gerardo Marti,2008 The author shows how a multiracial evangelical congregation of 2 000 people accommodates itself to the entertainment industry and draws in many striving to succeed in this harsh and irreverent business Hollywood s Oasis Christian Center strategically sanctifies ambition and negotiates social change by promoting a new religious identity as champion of life An identity that provides people who face difficult career choices and failed opportunities a sense of empowerment and endurance This book explores the modern evangelical movement and shows how religion adapts to social change **Religious Leaders of America** J. Gordon Melton,1999 This reference by noted scholar J Gordon Melton provides more than 1 200 detailed biographical profiles of the contemporary and historical men and women responsible for influencing American religion Features a comprehensive index and a religious affiliation appendix *The Journey of T.D. Jakes* Richard Young,2015-02-02 Discover the lessons Thomas Dexter Jakes learned as a young boy growing up in Appalachian poverty Experience the victory and redemption of a young man who faced and overcame the seduction of drugs and crime Witness the entrepreneurial seeds that were planted as he shouldered the responsibilities of his deceased father s business as a teenager Then behold his rise from pastor of a tiny rural congregation to the leader of a 30 000 member megachurch in one of America s largest cities Through his experiences you will discover how you too can Develop your own God given vision See miracles in your life Reap the blessings of faith Overcome obstacles Change your part of the world Be led by the Holy Spirit
