Blade Skill Online: Crushing the Competition with My Abysmal Stats, Useless Class, and Garbage Weapon! Volume 2

Manzi Mazi,2025-11-20 IRL Yuri might be nothing more than the world's unluckiest high school boy but in the VR world of Blade Skill Online he's a beautiful woman with an unrivaled luck stat who's easily the game's most feared and most admired player. After he massacres tens of thousands of players at once with the build everyone wrote off as the worst garbage imaginable it's looking like no one will ever manage to unseat him from his throne as the community's Demon Lord for all of a few days. In no time flat the developers nerf his build into the ground and players quickly dismiss his setup as back to being a worthless gimmick. But Yuri won't surrender that easily. He's determined to show his ridiculous build can still go toe to toe with the best of 'em and he knows exactly how to prove his point. What better way to stick it to the devs than turning a story critical town into his personal stomping grounds.
