The Portable Feminist Reader Roxane Gay, 2025-03-25 A New York Times Bestseller A dynamic and strikingly relevant look at a feminist canon as expansive rather than definitive A Penguin Classic For Roxane Gay a feminist canon is subjective and always evolving A feminist canon represents a long history of feminist scholarship embraces skepticism and invites robust discussion and debate Selected writings by ancient historic and more recent feminist voices include Henricus Cornelius Agrippa Anna Julia Cooper Kimberl Crenshaw Dorothy Allison Leslie Feinberg Eileen Myles Mona Eltahawy bell hooks Sara Ahmed Cherr e Moraga Audre Lorde The Guerrilla Girls and many more With an introduction headnotes and an inspired list of multimedia recommendations Roxane Gay presents multicultural perspectives ecofeminism feminism and disability feminist labor gender perspectives and Black feminism Through the Portable Feminist Reader readers explore the state of American feminism its successes and failures and what feminism looks like in practice as a complex contradictory personal and political and ever growing legacy of feminist thought

The Age of Choice Sophia Rosenfeld, 2025-02-04 Finalist for the Cundill History Prize A New York Times Book Review Editors Choice A sweeping history of the rise of personal choice in the modern world and how it became equated with freedom Choice touches virtually every aspect of our lives from what to buy and where to live to whom to love what profession to practice and even what to believe But the option to choose in such matters was not something we always possessed or even aspired to At the same time we have been warned by everybody from marketing gurus to psychologists about the negative consequences stemming from our current obsession with choice It turns out that not only are we not very good at realizing our personal desires we are also overwhelmed with too many possibilities and anxious about what best to select There are social costs too How did all this happen The Age of Choice tells the long history of the invention of choice as the defining feature of modern freedom Taking readers from the seventeenth century to today Sophia Rosenfeld describes how the early modern world witnessed the simultaneous rise of shopping as an activity and religious freedom as a matter of being able to pick one s convictions Similarly she traces the history of choice in romantic life politics and the ideals of human rights Throughout she pays particular attention to the lives of women those often with the fewest choices who have frequently been the drivers of this change She concludes with an exploration of how reproductive rights have become a symbolic flashpoint in our contemporary struggles over the association of liberty with choice Drawing on a wealth of sources ranging from novels and restaurant menus to the latest scientific findings about choice in psychology and economics The Age of Choice urges us to rethink the meaning of choice and its promise and limitations in modern life

*Subject Access* Patrice Landry, Leda Bultrini, Edward T. O'Neill, Sandra K. **The Routledge History of Madness and Mental Health** Greg Eghigian, 2017-04-07 This volume explores the history and historiography of madness from the ancient and medieval worlds to the present day Covering Africa Asia and South America as well as Europe and North America chapters discuss broad topics such as the representation of madness in literature and the visual arts the material culture of madness madness within life histories and the increased globalization of knowledge and treatment practices Chronologically and geographically wide ranging and providing a fascinating overview of the current state of the field this is essential reading for all students of the history of madness mental health psychiatry and medicine

**The Mental Health Clinician's Workbook** James Morrison, 2018-03-30 Rich with compelling case material this hands on workbook helps mental health practitioners and students build essential skills for clinical evaluation and differential diagnosis Renowned diagnostician James Morrison invites the reader to interview and evaluate 26 patients with a wide spectrum of presenting complaints and ultimate diagnoses Using multiple choice questions and fill in the blank exercises clinicians practice the arts of interviewing and making diagnostic decisions The convenient large size format facilitates use Extensive tables in the appendix provide a quick reference guide to the interviewing techniques diagnostic principles and clinical diagnoses discussed in each case See also other essential resources for new clinicians *Becoming a Therapist* Second Edition by Suzanne Bender and Edward Messner which covers what to say and why starting from the very first session and *The Therapist's Journey* by Robert Taibbi which offers guidance for navigating professional development boundaries self care and more

*Literature for Today's Young Adults* Kenneth L. Donelson, Alleen Pace Nilsen, 1997 With 140 fewer pages than the fourth edition the fifth obviously has been tightened it's partly in the format with narrower margins and less white space Otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift Coverage of Holocaust literature has been expanded and discussion of problem novels improved Sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the English classroom coverage of which has been enlarged The chapter on sf and fantasy is good on historical aspects but weak on today's writers A short list of Internet listserves and Web sites has been incorporated as part of using YA literature in the library Once again updating of appendixes seems spotty Nevertheless this is useful as a resource for youth librarians and a tool for teaching YA literature Sally Estes

**Literature for Today's Young Adults** Alleen Pace Nilsen, Kenneth L. Donelson, 2001 Introduction to young adult literature to help motivate teenagers become life long readers Reader friendly and comprehensive
