Symbol of Treason Natalya Orekhov, 2015-12-06 In a world drenched in cruelty Allison Red's only goal is to maintain ambiguity to her identity and to leave behind the life she escaped Yet she remains captive to the shadows of the past who are always close enough to send a chill down her spine Against all odds Alice carves out a small existence in the foothills of Colorado friends kinship she calls family and a small business But it isn't until Alice meets a stranger that she admits to herself how alone she truly is Logan Snow had it all parents he loved physical attributes he didn't deserve and a future so sweet he could taste it But that was a long time ago and Logan is no longer the same man Revenge is the only fuel left in him and the day Logan sees Allison in the flesh his plan couldn't have come with easier bait If only fairy tales were real If only life offered everyone justice If only it didn't screw you Author's Note This story deals with heavy subject matter such as rape murder and slavery and requires the reader to accept the fact that despite this fictional set real life is far graver than the words written on these pages The relationships of these characters are built on sacrifice forgiveness and vulnerability to the very core This is not a work of erotica but it is also not intended for an audience under the age of 18 This is book 1 in the Symbols Duet series ending with a semi cliffhanger Please be advised For your interest I am deeply grateful Wishing you a meaningful journey of discovery and an abundance of joy

**Symbol of Redemption** Natalya Orekhov, 2016-10-04 Symbol of Redemption is the highly anticipated conclusion to Symbol of Treason Don't miss the finale that will have you screaming Whether that's a good or bad thing well that's debatable As The Brotherhood closes in the stakes are as high as they come Everyone is on edge and Alice finds herself more lost than ever as her heart is torn to shreds She's desperate to discover all that was Logan Snow before he became the monster she married But Logan refuses to give her any insights into his former life knowing full well that once everything is revealed Alice will be gone Will Alice find the strength to fight to the end or will the truths of the past prove too much to bear Will Logan find a way to save them from a war determined to destroy them or was the battlefield rigged from the beginning And when you're faced with your own mortality will forgiveness wash over you or will you take vengeance to your very grave Author's Note This story deals with heavy subject matter such as rape murder and slavery This is not a work of erotica but it is also not intended for an audience under the age of 18 Despite the dark undertone there is hope iron will that will prevail This is the second book in the Symbols Duet series with a HEA Please be advised For your interest I am deeply grateful Wishing you a meaningful journey of discovery and an abundance of joy
