**ALAN CASSELS**

## **The Trial Of Mussolini:**

*The Trial of Mussolini* Michael Foot,1943      **The Trial of Mussolini. Being a Verbatim Report of the First Great Trial for War Criminals Held in London Sometime in 1944 Or 1945. By "Cassius"[d. I. Michael Foot].(5. Impr.)** Michael Foot,1943      **The Trial of Mussolini** Cassius,1943      *The Trial of Mussolini, Being a Verbatim Report of the First Great Trial for War Criminals Held in London Sometime in 1944 Or 1945* Cassius,1944      **The Trial of Mussolini** Cassius,1981      **Un inglese difende Mussolini (The Trial of Mussolini)** Michael Foot,1946      **The Trial of Mussolini** Cassius [pseud],2013      Italian Fascists on Trial, 1943-1948 Roy Palmer Domenico,1991 Roy Domenico describes and evaluates the controversial efforts in Italy to punish Fascists after the overthrow of Mussolini in 1943 and the more violent efforts to do so after the liberation of German occupied northern Italy in 1945 He focuses on the trials and bureaucratic purges of Fascists and illuminates the political struggles between those who favored the sanctions and those who opposed them According to Domenico sanctions against Fascists were complicated by a widespread inability to define and place blame Those most likely to be tried he argues were symbolic or strategic figures who were prominent in the dictatorship or were otherwise closely identified in the public s mind with the regime and whose prosecution would make a dramatic impression The scope of sanctions was restricted further by focusing on those who served Mussolini s collaborationist Salo regime and away from the Fascists of the 1922 43 dictatorship The British and Americans were ambivalent about prosecuting the Fascists in part says Domenico because they did not look upon Italian fascism as nearly as objectionable as German nazism In theory they wanted the most notorious Fascists to be investigated and punished but in practice they did not want to create bureaucratic chaos in what was left of the weak Italian state or to strengthen the far Left Further the outbreak of the civil war in liberated Greece in the winter of 1944 45 alarmed many who feared that civil war might erupt in northern Italy as well Domenico concludes that although Italy dismantled a dictatorship and became a democratic republic in the space of three years the Italian experience nevertheless illustrates the resilience of the old order and its tenacity in maintaining influence Originally published in 1991 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value      **Mussolini's Shadow** Ray Moseley,1999-01-01 Dotyczy m in Polski      **Mussolini's Italy** Max Gallo,2019-10-10 Originally published in 1964 this book holds the story of Italian Fascism and its leader up to the light Gallo explains how Fascism triumphed in Italy what it did to and for that country and what its heritage is for present day Italy The character of Mussolini is explored as it is interwoven with the history of the dictatorship he founded and Gallo demonstrates beyond doubt the enthusiasm with which Italian industry finance and business supported Mussolini s self styled anti capitalist movement      **Women, Antifascism and Mussolini's Italy** Isabelle Richet,2018-09-30 Marion Cave

Rosselli is remembered as the perfect companion of the Italian Antifascist leader Carlo Rosselli assassinated in Paris in June 1937. But little is known about the young English student fired with revolutionary enthusiasm who moved to Florence in 1919, witnessed the violent march of fascism to power and thereafter became a resolute adversary of the Mussolini dictatorship. Based on a wealth of little used private and public archives, this biography retraces her journey from a modest home on the outskirts of London to the first underground Antifascist opposition in Italy from the prison island of Lipari to exile in Paris and the United States. It reveals the social, cultural and existential factors which underpinned her unflinching political engagement alongside her husband. It also highlights the many challenges faced by Antifascist women within a highly patriarchal movement by bringing to life the figure of a woman who challenged the traditional division of labour within the family and struggled to carve a political role for herself. Reconstructing Marion Cave Rosselli's experience in relation to the multiple political, social and cultural worlds she moved in, this book broadens our understanding of the Antifascist movement and offers a richly detailed portrait of a time full of hopes, anxieties and disappointments.

The Trial of Mussolini Cassius (pseud.), 1943      **The Trial of Mussolini: a Verbatim Report of the First Great Trial for War Criminals Held in London Sometime in 1944...** Michael Foot, 1943      **MUSSOLINI'S FOREIGN POLICY: THE FIRST YEARS, 1922-1924..** ALAN CASSELS, 1961      **California. Court of Appeal (4th Appellate District). Division 3. Records and Briefs** California (State).,      Selections from Political Writings (1921-1926) Antonio Gramsci, 1978

This volume is the second of two containing a selection of Antonio Gramsci's political writings from his first entry into Italian politics to his imprisonment under Mussolini's fascist regime. An extensive selection from Gramsci's Prison Notebooks is already available in this English edition of his works and a volume of further selections from the Notebooks will follow. This present volume covers the momentous years of the foundation of the Italian Communist Party whose leader Gramsci was from 1924 until his arrest in 1926, the ascendancy of the Soviet Union as the authoritative force in the Communist International and the rise and eventual triumph of fascism which forced Italian communism into nearly twenty years of illegality and Gramsci into prison. The crucial concerns of the articles, reports and letters in this volume are of central relevance to contemporary Marxism: the functioning of working class power, the strategy of the united struggle against capitalism and against fascism and the implications of proletarian internationalism. The collection is indispensable for a proper understanding of the fighting tradition of the Italian Communist Party. Complete with introductory material, a chronology and full notes and including relevant texts by other Italian Communist leaders, this English language edition of the works of Antonio Gramsci makes available to a wider readership than ever before the writings of one of the most outstanding Marxist thinkers of Western Europe.
