We Are On Our Own A Memoir:

We Are on Our Own Miriam Katin, 2020-08-28 A stunning memoir of a mother and her daughter's survival in WWII and their subsequent lifelong struggle with faith In this captivating and elegantly illustrated graphic memoir Miriam Katin retells the story of her and her mother's escape on foot from the Nazi invasion of Budapest With her father off fighting for the Hungarian army and the German troops quickly approaching Katin and her mother are forced to flee to the countryside after faking their deaths Leaving behind all of their belongings and loved ones and unable to tell anyone of their whereabouts they disguise themselves as a Russian servant and illegitimate child while literally staying a few steps ahead of the German soldiers *We Are on Our Own* is a woman's attempt to rebuild her earliest childhood trauma in order to come to an understanding of her lifelong questioning of faith Katin's faith is shaken as she wonders how God could create and tolerate such a wretched world a world of fear and hiding bargaining and theft betrayal and abuse The complex and horrific experiences on the run are difficult for a child to understand and as a child Katin saw them with the simple longing sadness and curiosity she felt when her dog ran away or a stranger made her mother cry Katin's ensuing lifelong struggle with faith is depicted throughout the book in beautiful full color sequences *We Are on Our Own* is the first full length graphic novel by Katin at the age of sixty three

A Renaissance of Our Own Rachel E. Cargle, 2023-05-16 From a highly lauded modern voice in feminism and racial justice comes a deeply personal and insightful testament to the power of reimagining to dismantle the frameworks and systems that no longer serve us while building new ones that do Powerful You will leave these pages changed for the better Gabrielle Union New York Times bestselling author of *We're Going to Need More Wine* There are breaking points in all our lives when we realize that the way things have been done before just don't work for us anymore be it the way we approach our relationships our belief systems our work our education even our rest For activist philanthropist and CEO Rachel E Cargle reimagining the act of creating in our minds that which does not exist but that we believe can and should has been a lifelong process Reimagining served as the most powerful catalyst for Cargle's personal transformation from a small town Christian wife to an incisive queer feminist voice of a generation In *A Renaissance of Our Own* we witness the sometimes painful but always inspiring breaking points in Cargle's life that fostered a truer identity These defining moments offer a blueprint for how we must all use our imagination the space that sees beyond limits to live in alignment with our highest values and to craft a world independent of oppressive structures both personal and societal Cargle now invites you to acknowledge ways of being that stem from societal expectations instead of your personal truth and to embark on a renaissance of your own She provides the very tools and prompts that she used to unearth her own truth tools that opened her up to being a more authentic feminist and purpose driven matriarchal leader *A Renaissance of Our Own* gives us the courage to look at the world and say I want something different It serves as a reminder of the power and possibility of
