We Changed the World Sid Pike, 2005-10-14 Sidney Pike's story is the most thorough chronicle that exists. As he met with media and government leaders around the world trying to sell CNN programming, he faced both the forces that stimulated the changes and those that offered resistance to them. Sidney Pike was a pioneer and evangelist for the global television channels and the news services that are taken for granted today. This should be read by all students of telecommunication and by anyone interested in the role the media played in globalization and democratization. Jacket *PTL*
