**Knocking on Heaven's Door** David Crump,2006-09-01 How are we to understand petitionary prayer This is a key question for any thoughtful believer who desires to take both the Bible and experience seriously Some believe God answers any prayer as long as the one praying has enough faith and or persistence Others conclude from experience that prayer is really for our benefit and has no impact on God s actions According to David Crump both views are extreme and potentially harmful While books that deal with prayer from a devotional or experiential perspective have their value

Knocking on Heaven's Door takes a different approach. Crump carefully studies every New Testament passage that has to do with petitionary prayer and draws conclusions that are both theological and pastoral to help us understand the great mystery of prayer. **The Deliverance of God** Douglas A. Campbell, 2009-08-07 This book breaks a significant impasse in much Pauline interpretation pushing beyond both Lutheran and New perspectives on Paul to a non contractual apocalyptic reading of many of the apostle's most famous and most troublesome texts. His strongly antithetical vision identifies participation in Christ as the sole core of Pauline theology and produces the most radical rereading of Romans 1-4 for more than a generation. Even those who disagree will be forced to clarify their views as never before.
