Snapchat On Sale:

You: For Sale Stuart Sumner,2015-08-20 Everything we do online and increasingly in the real world is tracked logged analyzed and often packaged and sold on to the highest bidder Every time you visit a website use a credit card drive on the freeway or go past a CCTV camera you are logged and tracked Every day billions of people choose to share their details on social media which are then sold to advertisers The Edward Snowden revelations that governments including those of the US and UK have been snooping on their citizens have rocked the world But nobody seems to realize that this has already been happening for years with firms such as Google capturing everything you type into a browser and selling it to the highest bidder Apps take information about where you go and your contact book details harvest them and sell them on and people just click the EULA without caring No one is revealing the dirty secret that is the tech firms harvesting customers personal data and selling it for vast profits and people are totally unaware of the dangers You For Sale is for anyone who is concerned about what corporate and government invasion of privacy means now and down the road The book sets the scene by spelling out exactly what most users of the Internet and smart phones are exposing themselves to via commonly used sites and apps such as facebook and Google and then tells you what you can do to protect yourself The book also covers legal and government issues as well as future trends With interviews of leading security experts black market data traders law enforcement and privacy groups You For Sale will help you view your personal data in a new light and understand both its value and its danger Provides a clear picture of how companies and governments harvest and use personal data every time someone logs on Describes exactly what these firms do with the data once they have it and what you can do to stop it Learn about the dangers of unwittingly releasing private data to tech firms including interviews with top security experts black market data traders law enforcement and privacy groups Understand the legal information and future trends that make this one of the most important issues today

Selling Social Media Daniel Faltesek,2018-05-17 Facebook Twitter Snapchat YouTube LinkedIn and dozens of other services have been described as the vanguard of creative destruction across the media industries disruptors of established business heroes of a new economic narrative that supposes that the attention of individual users can be measured managed manipulated backing methods that securitized patented and litigated attention in ways impossible before Selling Social Media catalogues the key terms and discourses of the rise of social media firms with a particular emphasis on monetization securitization disruption and litigation Tensions between ideas and terms are critical as the ways that different aspects of social media business are described change depending on the audience scale and maturity of the firm These divergent discourses are bound together into a single story of social media an industry that challenges the theories and descriptions of media that have come before Through a reading of social media business this book offers a chance to revisit media theory in the context of a new social media companies and products that depend on a different understanding of media audiences media industries and public agency

Follow Up and Close the Sale: Make Easy (and Effective) Follow-Up Your Winning Habit Jeff Shore,2020-07-14 Award winning sales coach Jeff Shore shows sales professionals how to apply buyer psychology to personalize follow ups serve customers and seal the deal faster What does a sales professional do when the customer says Not yet Companies have invested thousands and even millions of dollars in CRM technology over the past decade but frontline salespeople and sales executives alike are still groping for solutions The problem of drift a common phenomenon in which a prospect simply forgets about the product offering and goes dark is persistent and rampant Technology doesn't change behavior on its own Behavior is changed by adopting better habits The fact is 44 percent of salespeople give up after one follow up attempt That sad reality presents a genuine opportunity In Follow Up and Close the Sale Jeff Shore offers research based insights into the customer's buying journey to teach sales professionals how to Create

and maintain Emotional Altitude for the customer Leverage speed as an advantage Personalize follow up to fulfill customer needs and provide value Overcome the mental barriers that make follow up a difficult task Select the right follow up method Stay in touch without annoying the prospect Wake up tired leads Better yet this results oriented book will make the follow up process one often dreaded as a grueling chore to be genuinely enjoyable Effective follow up is relationship based service driven and emotionally positive It's about rituals and routines rhythms and the right attitude It's about not quitting when others give up Follow up is what separates the good from the great

La enciclopedia del community manager

Manuel Moreno Molina,2018-04-10 En tan sólo diez años hemos asistido a la que posiblemente sea la mayor revolución tecnológica de la historia de la humanidad La popularización de las redes sociales y de las conexiones a internet de alta velocidad ha cambiado por completo la forma en la que los individuos se relacionan entre sí y como lo hacen también con las empresas con las que establecen vínculos muy fuertes a través de la red Sin embargo aunque ya no podemos hablar de los inicios titubeantes de la profesión del community manager puesto que ya ha alcanzado cierta madurez y la mayor parte de las empresas son conscientes de su importancia aún queda mucho camino por recorrer Por eso este libro es tan necesario porque pretende ser el manual de consulta para los profesionales del social media para aquellos que se están formando en la actualidad y para los que deseen aprender a gestionar adecuadamente las redes sociales de sus negocios y empresas La enciclopedia del community manager es una guía completamente actualizada con técnicas y herramientas para sacar el máximo provecho a los medios sociales en los entornos corporativos Con ella aprenderás a utilizar las principales redes sociales como Facebook Twitter LinkedIn YouTube o Instagram y a sacar partido a las aplicaciones de mensajería instantánea o a las retransmisiones de video en directo en beneficio de tu marca También entenderás por qué es necesario planificar la estrategia en social media fijar unos objetivos realizar un ejercicio constante de monitorización de los resultados y aprender a interpretar los datos entre otras muchas cosas La profesión del community manager está en constante evolución y la velocidad a la que se suceden las novedades es apasionante pero conlleva un problema corremos el riesgo de que nuestros conocimientos queden desactualizados No permitas que te ocurra a tí
