*A Holy Mystery* Chris Eyre, 2019-03-27 A pastor says If you think you understand the trinity you've probably fallen into heresy An expert in biblical studies says The trinity is one of the best ways ever invented to say We don't have a clue Many people say the trinity is not found in the Bible so what is it doing as a doctrine This lively and challenging book asks you to think about the trinity what it means how it came to be and what value it might have in Christian conversation today If you don't want to have your thinking challenged or you'd rather just go on saying I believe in the trinity without knowing what you're saying then definitely stay away from this book To the rest of you Enjoy *Those Holy Mysteries [i.e. the Lord's Supper]* En De (pseud.), 1893

**God Loves You Maybe But Only Just A Few** Robert Latimer, 2019-03-25 From time to time a book appears on the scene that radically challenges and/or refutes contemporary Consensus Reality Truths that are intellectually interpreted truths that are honored and celebrated as reinforcing our current progressive culture and economy God Loves You Maybe But Only Just a Few is one such book In this book Pastor Robert b Latimer has assembled an impressive menu of Biblical Truths that have for centuries been accepted and bent to the needs the will and the desires of prevailing progressive social reality Andy by doing so he has also boldly declared the original biblical truths as they were originally breathed by the Holy Spirit into Holy Scripture You may ask why is this so important at this time in history The aim and purpose of this book is quite clear It was written to enable the twenty first century chosen elect beloved of God to not be deceived by the

confusion and chaos of current contemporary American Consensus Reality Based Truths Truths wholly based and interpreted on prevailing Personal Intellectual Authority levels as opposed to the direct illumination of the Holy Spirit the Revealer unto All Truths Pastor Latimer hopes that by clarifying key Biblical Truths as they were originally meant to be it will successfully prepare contemporary Christians to dress themselves in the same kind of rugged protective spiritual armor required for them to stand strong and vigorously oppose the false truths being loudly taunted by many Lay Renewal Theology Groups of the day This book is not so much confrontational as it is controversial in nature The Biblical Truths set forth in this book seek to clarify the facts surrounding them as they were originally meant to be engaged and lived by God's chosen elect beloved These truths cut through the heart of historical theological social and political thinking of the twenty first century By doing this Pastor Latimer hopes that every reader's heart will literally be cut by the Holy Spirit unto the real truth of the truths of God's Word biblical truths as they were originally breathed into Scripture by the Holy Spirit Biblical truths as they were originally meant to be accepted and engaged
