more than One Taste One Taste Sebastian I live a good life I m successful the CEO of the advertising firm my father built
from the ground up I ve been deemed a god in the sheets by the female population of New York City and have the equipment
to match Life is great Until my social life messes with my professional life I ve become a frequent flyer on the gossip pages a
detriment to business Just as my perfect life is starting to crash down around me I meet her All I wanted was a taste but I got
much more than I bargained for Devin Seven years is a long time but it s good to be home I ve missed this place and the
people in it I m living with my best friend I landed a great job as an Interim CEO which will look great on my resume and I
hooked up with a hot guy I met at a bar Life couldn t get much better That is until I report to my first day at my new job and
standing behind the desk waiting for me is the man I spent a sex crazed night with He devours me with his eyes letting me
know things between us aren t over Except he doesn t get to make that decision I do But I no matter how hard I try I can t
seem to stop this disaster from happening One Regret Sebastian Who would have thought the woman who consumed me
after only one night would wind being the new Interim CEO of my company It was my sister s doing but it doesn t change
that she s here right in front of me She wants nothing to do with me and I want nothing more than to claim her make her
mine All I want is to worship her like the queen she is but she s more interested in fighting the attraction between us Too bad
for her I can play this game better than her and I play to win Devin Life just got a lot more complicated and one night of fun
has turned into regret real quick Sebastian Brooks stole a small piece of me our night at the hotel and I haven t been able to
take it back as hard as I ve tried I want to be with him but I m not sure if what I stand to gain is more than what I stand to
lose What will happen if I choose him over everything I ve worked for He ll still own a company but I however could be
committing career suicide I want him so badly I want us and the way we fit together seamlessly but there are many reasons
why we shouldn t do this The doubts linger in the back of mind and when unforeseen circumstances crash into us it leaves
me questioning everything yet he keeps me coming back One Love Sebastian Devin warned me what would happen if we kept
sneaking around together but I was sure I could control it I was being selfish when it came to her I wanted her and that was
it My mind was set and I was on the path to winning her heart until everything blew up in our faces I caused pain to the one
woman I promised to protect and now I have to figure out how to make it all right There s nothing worse than seeing the look
of fear on her face as the seriousness of our reality falls down on her instead of me One thing no one counted on though was
just far I d go to save her I d walk through fire to keep Devin from living out her worst nightmare Devin I ve never felt so

many emotions for one person before in my life Love Anger Sadness Jealousy It's all there It's a constant up and down when it comes to Sebastian and me He's confident he can fix it all while I'm still trying to get over my own fears Except those fears become reality in the most terrifying way We've been through things most people only read about All we want to do is love each other but someone else has other more gruesome plans for us *More Than We Bargained For* Fiona West, 2020-11
