

3. Lay one foam piece you have cut on the floor and position your stilt on top. Line up a second foam piece on top of your stilt, like a sandwich, so the foam pieces match.
4. Now you are going to sew the foam together like you did with the crutches. Normal thread will cut through the foam. Again, use yarn to sew the foam together instead of thread. A simple tied knot at the ends of your yarn will just cut through the foam as well so you will need to secure the ends of your yarn with a large button. Use the yarn and large needle to attach the button to the foam so you can begin sewing. Refer back to page 5 for more detailed instructions if needed.
5. Use the same decorating technique as pages 6 - 7 and use an adhesive or thread to secure your fabric onto your foam. Decorate as you would like. I did the same of spray painting the bottom and hot gluing and draping the gauze fabric to the top. Repeat these instructions for both stilts and your legs will be complete.

one without foam and  
one with the foam.

**Notes from a Former Virgin** Emma Chastain, 2019-07-02

Bridget Jones's Diary meets Mean Girls as lovably flawed high school student Chloe Snow chronicles her junior year as she navigates the highs and lows of family, friendship, school and losing her virginity. I'll be honest: junior year has been a disaster. My horrible mom is back from Mexico. My dad's girlfriend is living in our house. Did I mention my parents aren't divorced yet? On the plus side I lost my virginity and then the whole school found out and I got slut shamed. Then somehow I got popular. But according to some people it turned me into a monster and I'm pretty sure everyone hates me now. Oh and there was the Thanksgiving fiasco and the prom queen debacle and the illegal middle of the night drive to the hospital. Want to hear the whole wild story? You'll have to read my notes. A Whimsical array of ghosts and goblins spooks and skeletons animals and nursery room characters parade through this unparalleled collection of more than one hundred years of American Halloween costumes and masquerade Photographer Phyllis Galembo approaches her subjects with the delight and wonder of one who has discovered an entire cast of characters backstage in an abandoned theater Through her lens the costumes rise from the dead to once again dance play and amuse Ranging from handmade to store bought satin to polyester the masks wigs and costumes whether recognizable figures or obscure pique our childhood memories In her celebration of Halloween revelry Galembo never settles for the ordinary instead she creates evocative scenes of dressed to scare young trick or treaters modeling their disguises and of undead spirits haunting their surroundings The costumes which span over a century take on magical qualities through fanciful sets and specialized lighting effects Accompanying the costumes is a history of this always popular holiday and essays discussing Galembo s inspirations and techniques Through her art Galembo allows us to act out our youthful fantasies of transformation to become or at least observe what we most want to be free of inhibitions of fixed notions of identity Her images make us laugh and dream and maybe even believe in ghosts Book jacket
