rivers that anglers dream of visiting Describing species hatches the flies and lures and when to fish each profile contains
information and maps that boosts angler success Profiles present as well the environmental challenges facing each stream
and the role that TU and others play in protecting the fishery Extensive interviews with anglers for whom each stream is

these streams himself Many who buy the book set out to fish all the streams For others the guide is an essential ingredient in
the planning of fishing and family vacations It s a book that s as at home next to a fly tyer s bench as it is tucked in the
console between the seats of a pickup truck A portion of the sale of each book goes to Trout Unlimited to help protect and
sustain coldwater fisheries
