Children, Preschool Through Grade 6 ,2006 **Sport Fitness Culture** Prof. Karin Volkwein-Caplan, 2013-11-27 Sport Fitness Culture focuses on the influences of culture and society on human movement such as sport physical activity and fitness The text introduces and analyzes current issues of importance for those concerned with human movement and culture whether it is in the context of teaching physical education coordinating marketing sport and recreational programs coaching or serving the general population young and old with any form of physical activity Sport Fitness Culture incorporates interdisciplinary cutting edge work reflecting various research paradigms from these theoretical perspectives sociology psychology history philosophy anthropology gender and race studies and cultural studies The fact that more and more people

of all ages are participating in sport and physical activity means that serious attention must be paid to increasing awareness of the positive as well as the negative effects of such involvement. Indeed sport has become a major socio cultural factor in people's lives. In the USA there is hardly anyone who is not touched by this movement; however people have very different experiences based on their cultural and socio economic background including gender, race, ethnicity, age, ability as well as their sexual and religious orientations. This book will educate people about the importance of socio cultural as well as psychological factors influencing people's choices, opportunities, experiences and limitations in the domain of human movement.
