**The Story Economy** William Welser,2025-10-28 Regain Control Over Your Data Devices and Freedom How do you value your private data What about your job The truth is someone is selling your data and your job may be among the countless others being lost to AI at record rates Because of this abuse of technology among many others most people have lost all agency over their technology devices and information But technologist William Welser IV has a plan to help us regain control Enter The Story Economy a guide that provides fresh purchasing power in a world where opportunity feels harder and harder to grasp Within Welser outlines the need for an alternative economy where stories can become solutions to overwhelming new problems His entirely new marketplace allows us to use our stories as currency putting the data we've voluntarily given to good use allowing us to purchase goods and services and giving us the power to see exactly where our data is going and to whom In this exciting and sometimes scary world of AI Big Tech is using all of its tools against us to create a society in which we're lonely broke and lost We must take back our power and make the technology work for us to close the healthcare education and wealth divide and in the process foster self awareness to help us become astute decision makers and stay ahead of technology With The Story Economy Welser provides the innovative blueprint to get started

[Wake Up](#) Conrad Riker,101-01-01 Awaken the Timeless Warrior Within Before Society Erases Him Forever Why do synchronicities feel like divine whispers yet modern science dismisses them as coincidence What if your toxic masculinity is actually your greatest strength suppressed to keep you docile How do elites weaponize dark matter fake time narratives and fatherless homes to control your destiny Unlock the hidden algorithm behind meaningful coincidences and bend them to your will Discover why masculine leadership isn't optional it's coded into reality's architecture Master the C T M U's God Equation to reprogram your mind and the world Defy the satanic double bind of modern feminism shamed for strength punished for weakness Harness morphic resonance to tap into 10 000 years of warrior DNA in high stakes moments Expose the dark matter parallels between cosmic forces and shadow governments Reclaim immortality through sacrifice why legacy not safety defines a man's worth Align with gravity's instant power to collapse impossible timelines into reality If you want to annihilate society's lies command synchronicity as your birthright and leave a legacy that outlives the stars buy this book today

*Three Minutes with Spirit: Australia's #1 medium on TikTok* Cael O'Donnell,2022-05-03 Have you ever wondered if anything exists beyond what you can see around you Or have you ever felt restless or dissatisfied or as if something is calling out to you from somewhere that's not quite here So many of us are searching for more beyond the relentless daily grind and feeling lost isolated or out of touch with our hearts and our minds Though our busy world is full of distraction what's often

harder to find is a clear path through the noise and confusion Cael O Donnell is a former mental health therapist who now uses his abilities as a psychic medium to help hundreds of thousands of people worldwide to find guidance from the universe and tap into the resources already within them From manifestation and dreams to spirit guides the tools are all around us if we know how to identify and use them Exploring the three interconnected aspects of our existence Source Spirit and Self Cael explains how we can find our true purpose in life develop trust in our intrinsic sense of direction and deal with the loss of loved ones and other challenges life throws at us Complete with three minute exercises that can be done in short peaceful moments or turned into a larger ritual of growth and reflection Three Minutes with Spirit is for anyone curious about deepening their connection to their inner self and the universe around them and living a more meaningful life

**Intersectional Intimacy** Jin Lee,2025-11-24 Intersectional Intimacy Identity Work of Racialized Women in Online Dating Cultures is the first book to examine both shared and divergent stories from those who identify as women with race related experiences navigating online dating cultures and to explore how their experience of intimate relationships is mediated by the apps While many women turn to dating apps in search of intimacies their navigations are continuously mediated and challenged by hierarchies of race gender class and sexuality embedded in online dating cultures This book traces the ongoing and layered processes through which racialized women develop their stories of online intimacies by making use of their identities and further cultivate their subjectivities It also addresses the global dimensions of these practices illustrating how global and local power structures intersect with personal experience afforded by the popularity of dating apps and how these readings change with their mobility Intersectional Intimacy will be an essential text for students of gender studies sociology and politics as well as those interested in race media studies digital culture and communications
