and why God's first instructions around food still hold the keys to modern healing energy and clarity. The sacred meaning of foods like figs, honey, olive oil, and ancient grains, and how they nourished both body and spirit throughout Scripture. How biblical herbs, bitters, and clean vs unclean laws reveal a hidden system of healing designed to protect and realign the body. The divine rhythms of fasting, feasting, and fermentation, and how they shaped spiritual strength and long-term vitality. How to rebuild your pantry in alignment with biblical wisdom, even in today's food culture of additives, marketing, and artificial abundance. Why eating can become a form of worship, and how to turn every meal into a spiritual act of remembrance, gratitude, and renewal. This isn't a book of rules; it's a return to alignment. You'll feel the difference not just in your energy or digestion but in how you pray, how you focus, how you feel after a meal. The foods God gave were never meant to numb us. They were meant to awaken us. If your heart has ever whispered, "There must be a better way to live," this is the answer. Read the book *Return to the Table*. Begin again with what God intended.
