**Dynamics of Language Changes** Keith Allan, 2020-08-31 This book

explores the dynamics of language changes from sociolinguistic and historical linguistic perspectives. With in-depth case  
studies from all around the world, it uses diverse approaches across sociolinguistics and historical linguistics to answer  
questions such as: How and why do language changes begin? How do language changes spread? and How can they ultimately be  
explained? Each chapter explores a different component of language change, including typology, syntax, morphology, phonology,  
semantics, lexicology, discourse strategies, diachronic change, synchronic change, how the deafblind modify sign language, and  
the accommodation of language to song. This book presents a comprehensive analysis of the dynamics of language change  
over time, simultaneously advancing current research and suggesting new directions in sociolinguistic and historical  
linguistic approaches.
