## **Spotify 2025 Store Hours:**

*Loyalty Management* Cristina Ziliani, Marco Ieva, 2025-01-06 In this insightful text Cristina Ziliani and Marco Ieva trace the evolution of thinking contemporary themes and practice in loyalty management. Loyalty management is increasingly identified with the design and management of a quality customer experience in the journey across the many touchpoints that connect the customer with the brand. Evaluating the research on best practice and offering concrete examples from industry including seven international case studies the authors present a fresh take on the tools strategies and skills from loyalty programs to CRM to CX that underpin loyalty's key significance in marketing. New to this 2nd edition readers will find A new chapter exploring the strategic relevance of loyalty management for company long term profitability A new chapter on loyalty and sustainability based on research on 90 case studies of loyalty initiatives worldwide supporting organizations as they strive to meet their ESG requirements and demonstrating how they can use their loyalty programs to do so. Coverage of the role of touchpoints in developing loyalty from physical stores to voice assistants drawing from state of the art international scientific research. Discussion of metrics and KPIs for measuring loyalty management as well as further exploration of the role of emerging technologies in particular the application of predictive and generative artificial intelligence to loyalty strategies. New case studies and examples from a broader range of industries and geographical regions. Celebrating 25 years of experience in research consulting and teaching within the Osservatorio Fedelt UniPR Loyalty Observatory the authors have compiled a unique research based practice oriented text. It will guide marketers business leaders and postgraduate students through the changes in marketing thought and practice of loyalty management including omnichannel AI and sustainability as well as offering practical guidance on the skills and capabilities that companies need if they want to be successful at delivering essential loyalty driving customer experiences.

*Mood Machine* Liz Pelly, 2025-01-07 NATIONAL BESTSELLER A New Yorker GQ The Daily Telegraph London and Library Journal Best Book of 2025 A 2025 Washington Post Notable Nonfiction An NPR Books We Love Most pick Winner of a Certificate of Merit from the 2025 ARSC Awards for Excellence An unsparing investigation into Spotify's origins and influence on music weaving unprecedented reporting with incisive cultural criticism illuminating how streaming is reshaping music for listeners and artists alike. Drawing on over one hundred interviews with industry insiders former Spotify employees and musicians Mood Machine takes us to the inner workings of today's highly consolidated record business showing what has changed as music has become increasingly playlisted personalized and autoplayed. Building on her years of wide ranging reporting on streaming music journalist Liz Pelly details the consequences of the Spotify model by examining both sides of what the company calls its two sided marketplace the listeners who pay with their dollars and data and the musicians who provide the material powering it all. The music business is notoriously opaque but here Pelly lifts the veil on major stories like streaming services filling popular playlists with low cost stock music and the rise of new payola like practices. For all of the inequities exacerbated by streaming

Pelly also finds hope in chronicling the artist led fight for better models pointing toward what must be done collectively to revalue music and create sustainable systems A timely exploration of a company that has become synonymous with music Mood Machine will change the way you think about and listen to music
