Horse Camp Nicole Helget, Nate LeBoutillier, 2012-05-08 When their mom said she was sending twelve year old Percy and Penny and their little brother Pauly to stay with an uncle they'd never met she tried to make it sound better by saying that Uncle Stretch's farm was a horse camp Well the farm animals are actually chickens and pigs and the only two horses are mean tempered and not too keen on being ridden by kids As Penny puts it This farm is like the eighteenth century but way worse The water has a rusty taste and all the meat used to be animals on the farm If there is one thing the twins can agree on it's that between endless chores no Internet or cell phones and the prospect that their mom might have to stay in jail even though some people say she's a hero horse camp is a big fat joke Will they ever have a real family again Or is there a family for them right here Nicole Helget and Nate LeBoutillier have written a funny novel about farms and family animals and antagonism and the paths kids take sometimes while living in the same house before coming home **Idea Book for Club**
