*Japanese Humour* M. Wells, 1997-06-18 This is not a book of jokes It is about how people make rules about humour rules about what humour is what it is not what it should and should not be when it should and should not be used what type of humour is permissible and what type forbidden what is good and bad about humour what should be considered funny and what should not The book offers a framework for a general understanding of why and how societies make rules about the use of humour and how those rules affect patterns of communication and the development of humour and comedy *The National Builder*, 1903

**The Primer of Humor Research** Victor Raskin, 2008 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current
