**Military Review** ,2013      **Professional Journal of the United States Army** ,2013      Unified Land Operations (ADP 3-0) Department Army,2012-11-17 Army Doctrine Publication ADP 3 0 is one of the Army s two capstone doctrine publications the other is Field Manual FM 1 The Army ADP 3 0 presents overarching doctrinal guidance and direction for conducting operations It constitutes the Army s view of how it conducts prompt and sustained operations on land and sets the foundation for developing the other principles tactics techniques and procedures detailed in subordinate doctrine publications ADP 3 0 is the first manual published under Doctrine 2015 initiative It provides operational guidance for commanders and trainers at all echelons and forms the basis for Army Education System curricula The principal audience for ADP 3 0 is the middle and senior leadership of the Army officers in the rank of major and above who command Army forces in major operations and campaigns or serve on the staffs that support those commanders It is also applicable to the civilian leadership of the Army      *Army Doctrine Reference Publication Adrp 3-0 Operational October 2017* United States Government Us Army,2017-10-09 This doctrine manual Army Doctrine Reference Publication ADRP 3 0 Operational October 2017 supports land operations doctrine established in ADP 3 0 Operations and is supported by FM 3 0 Operations This publication expands the overarching guidance on unified land operations It accounts for the uncertainty of operations and recognizes that a military operation is a human undertaking It constitutes the Army s view of how to conduct prompt and sustained operations on land and sets the foundation for developing other principles tactics techniques and procedures detailed in subordinate doctrine publications The principal audience for ADRP 3 0 is all members of the profession of arms Commanders and staffs of Army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces Trainers and educators throughout the Army will use this publication as well ADRP 3 0 contains numerous changes to the November 2016 version the most significant of which are updates necessary to align with FM 3 0 Operations ADRP 3 0 modifies the definition of unified land operations to account for the consolidation of gains ADRP 3 0 adds the concept of a consolidation area to the operational framework Additional changes include a discussion of peer threats positions of relative advantage multi domain considerations and the consolidation of gains as an Army strategic role These all expand upon unified land operations ADRP 3 0 employs information such as principles and tenets as a means of highlighting key aspects of doctrine Where lists are employed a narrative discussion follows to provide details on the subject They serve as guidelines or tools for readers to more easily remember important doctrinal terms However there remains a need to study doctrine in detail and consider how terms are applied to operations ADRP 3 0 modifies key topics and updates terminology and concepts as necessary These topics include the discussion of an operational environment and the operational and mission variables as well as discussions of unified action law of land warfare and combat power Mission command remains both a philosophy of

command and a warfighting function ADRP 3-0 contains five chapters Chapter 1 discusses military operations It describes the variables that shape the nature of an operational environment and affect outcomes The chapter then discusses unified action and joint operations as well as land operations Finally this chapter discusses the importance of training to gain skill in land warfare Chapter 2 discusses the application of operational art It discusses how commanders should consider defeat and stability mechanisms when developing an operational approach It then discusses the elements of operational art and their meanings to Army forces Chapter 3 discusses the Army's operational concept of unified land operations It discusses how commanders apply landpower as part of unified action to defeat the enemy on land and establish conditions that achieve the joint force commander's end state Chapter 3 discusses the principles of unified land operations and the tenets of unified land operations Chapter 4 discusses the operations structure commanders use to array forces and conduct operations It includes a discussion on the addition of a consolidation area to the operational framework It concludes with a discussion on the operational framework used in the conduct of unified land operations Chapter 5 discusses combat power It opens with a discussion of the elements of combat power It then discusses the six warfighting functions used to generate combat power and access joint and multinational capabilities Lastly it discusses how Army forces organize combat power through force tailoring task organization and mutual support

*Transportation Study Guide* Stanley Berge, 1940      Unified Land Operations Department of the Army, 2011-10-10

When we published Change 1 to the 2008 edition of Field Manual FM 3-0 we captured the most critical lessons of almost ten years of sustained land combat In this edition we not only reflect on the past but also look to an uncertain future Army Doctrine Publication ADP 3-0 Unified Land Operations provides a common operational concept for a future in which Army forces must be prepared to operate across the range of military operations integrating their actions with joint interagency and multinational partners as part of a larger effort Unified Land Operations is a natural intellectual outgrowth of past capstone doctrine AirLand battle recognized the three dimensional nature of modern warfare while full spectrum operations recognized the need to conduct a fluid mix of offensive defensive and stability operations simultaneously This publication builds on both these ideas adding that success requires fully integrating Army operations with the efforts of joint interagency and multinational partners The central idea of Unified Land Operations is that Army units seize retain and exploit the initiative to gain and maintain a position of relative advantage in sustained land operations to create conditions for favorable conflict resolution This central idea applies to all military operations offensive defensive and stability or defense support of civil authorities This unifying principle connects the various tasks Army forces may perform It adds the founding principles of flexibility integration lethality adaptability depth and synchronization It incorporates the principle that operational art is the connection between strategic objectives and tactical actions and provides a common construct for organizing military operations The construct consists of the Army operations process an operations framework for visualizing and describing operations and the warfighting functions ADP 3-0 serves as the common

operational concept for the Army The central idea adapted to the unique conditions of each conflict represents the Army s unique contribution to unified action It must permeate our doctrine our training and our leader professional development programs     **Unified Land Operations** Department of the Army,2014-05-11 Chapter 1 shortens the discussion of the operational environment found on the now obsolete 2011 FM 3 0 Change 1 and emphasizes military operations This chapter provides a framework of variables of an operational environment that shape their nature and affect outcomes The chapter then discusses unified action and joint operations as well as land operations Finally this chapter discusses law of land warfare and combined arms Chapter 2 introduces the Army s new operational concept of unified land operations It discusses how commanders apply landpower as part of unified action to defeat the enemy on land and establish conditions that achieve the joint force commander s end state Chapter 2 discusses how commanders demonstrate the Army s new core competencies of combined arms maneuver and wide area security conducted through decisive action Chapter 3 discusses combat power and the warfighting functions used to generate combat power in support of unified land operations As in the now obsolete 2011 FM 3 0 Change 1 chapter 3 discusses the eight elements of combat power that include the six warfighting functions with leadership and information Lastly it discusses how Army forces achieve combined arms through force tailoring task organization and mutual support Chapter 4 discusses the elements of operational art and the meaning of operational art to Army forces It elaborates on commanders and staffs applying the elements of operational art to understand visualize and describe how to establish conditions to achieve a desired end state It discusses how operational art represents a creative approach to dealing with the direction of military forces and expresses an informed vision across the levels of war

doctrine publications ADP 3-0 presents overarching doctrinal guidance and direction for conducting operations. It constitutes the Army's view of how it conducts prompt and sustained operations on land and sets the foundation for developing the other principles, tactics, techniques, and procedures detailed in subordinate doctrine publications. An operation is a sequence of tactical actions with a common purpose or unifying theme. Army forces as part of the joint force contribute to the joint fight through the conduct of unified land operations. Unified land operations are simultaneous offensive, defensive, and stability or defense support of civil authorities tasks to seize, retain, and exploit the initiative to shape the operational environment, prevent conflict, consolidate gains, and win our Nation's wars as part of unified action. ADP 3-0 is the Army's basic warfighting doctrine and is the Army's contribution to unified action.
