circumstances There are Miriam's children Theodora who gave up everything to assume the role of caretaker Diana who seems just a little too eager to inherit her share of the estate and Richard whose longtime grudge against his mother has curdled into gleeful contempt at her deterioration But it's Delphine who comes in for the greatest scrutiny when they learn the shocking news that Miriam's will cut off her children leaving her granddaughter almost everything As tensions rise Delphine is emboldened to start asking questions not just about her grandmother's death but about her life and the love story that defined it as the rest of her memories faded The trail will take her into the past into dark places and eventually onto thin ice
