### **Putting AI to Work in Disciplinary**

**Literacy** Rachel Karchmer-Klein, 2025-12-18 Can generative AI support not supplant students reading writing critical thinking and problem solving skills? In this practical literacy centered guide, Rachel Karchmer Klein shows how AI tools like ChatGPT and Copilot can be integrated into grades 6-12 instruction without compromising academic rigor or student voice. Grounded in the principles of disciplinary literacy, the book helps teachers shift their mindsets, explore ethical dilemmas, and design content rich lessons that keep student thinking at the center. With ready-to-use lesson plans, classroom vignettes, Try It Out activities, discussion prompts, and reproducible planning forms that can also be downloaded and printed, this resource empowers educators to reimagine learning in the age of AI.

**Principles of Strategic Communication** Derina Holtzhausen, Jami Fullerton, Bobbi Kay Lewis, 2025-10-31 Now in a second edition, this book introduces students to the theories of strategic communication and their application to everyday practice. Key updates to the second edition include the use of artificial intelligence in the practice of strategic communication and a focus on health communication and crisis communication in the wake of a global pandemic. Personal branding, social responsibility in an era of disinformation, and the addition of models for ethical decision making. It also features a completely updated chapter on new media and media metrics. Each chapter includes introductory learning outcomes, updated case studies, a career profile of a current practitioner, end-of-chapter discussion questions and boxes that highlight theory and research as well as the strategic communication industry insights. *Principles of Strategic Communication* Second Edition is ideal as a core text for undergraduate students in strategic communication courses within media communication, marketing and advertising programs. The accompanying online resources feature chapter summaries, useful links to examples of strategic communication in action, suggested further reading, and sample test questions. Instructors will find an instructor's resource manual that includes sample syllabi, class activities, lecture topics and a test bank. New to this edition are PowerPoint slides for each chapter.
