The Best Worst Thing Lauren Okie,2025-10-14 From a stunning new voice in romance Lauren Okie s The Best Worst Thing is an intimate story about starting over second chances and two people who cannot help falling into each other s orbit once again All things considered Nicole Speyer has a pretty amazing life At least that s what she tells

herself She's got a beautiful house a relatively successful fertility podcast and a perfect husband Gabe The only thing that's less than ideal is her years long struggle with infertility and how with every passing day she and Gabe seem to drift a little further apart But then mere hours after a Hail Mary embryo transfer to her gestational carrier Nicole discovers Gabe's been sleeping with their dog walker and her world turns upside down Suddenly a jobless childless and now husbandless Nicole finds herself at the doorstep of somebody she tried to say goodbye to a long time ago Logan Milgram a former colleague with serious golden retriever energy who happens to be laugh out loud funny a colossal nerd and legitimately kind of hot When Logan opens his door that night it's like no time has passed And as they fall back into each other's lives Nicole starts recognizing herself in the mirror again She even begins to like what she sees And then like a cruel joke she gets the news she's spent a lifetime waiting for her surrogate is finally pregnant As her relationship with Logan develops from a blast from the past fling into something much deeper Nicole struggles to balance her past present and future Racing against the clock she must learn to forgive her body for falling short and recognize that sometimes it's the biggest betrayals in life that set us free With everything on the line can Nicole accept love from the greatest man she's ever known even if it's nothing like the story she'd written for herself

[The Brains and Brawn Company: How Leading Organizations Blend the Best of Digital and Physical](#) Robert Siegel, 2021-07-27 A Top Financial Times Recommended Business Book. The Brains and Brawn Company is the grounded, clear-sighted guide you need to blend digital and traditional business functions for long-term competitive advantage. Business leaders are continually told they need to embrace digital disruption wholeheartedly to thrive in the 21st Century. Legacy companies we hear are all doomed to fail unless they double down on the latest digital innovations and disruptors are ordained to take over the world. Digital innovation is the answer to everything. False. Nothing in life or business is ever that simple. In The Brains and Brawn Company: How Leading Organizations Blend the Best of Digital and Physical, venture capitalist and Stanford Business School lecturer Robert Siegel brings the digital innovation conversation back down to earth. He shows that while important, digital is only part of the answer and it's never the only answer. The vast majority of successful leaders from both incumbents and disruptors focus as much on things like logistics, manufacturing, and distribution as they do on digital innovation. In fact, many established companies are successfully countering young upstarts in other creative ways and many new organizations are learning from their older brethren. Siegel shows how to create lasting profits and growth in the smartest way possible by creating a solid partnership between digital innovation and traditional business operations in other words by marrying brains and brawn. He lays out the core competencies that today's industry leaders have mastered and explains how Charles Schwab uses cutting-edge analytics to better serve millions of investors without violating its original code of values. Brave Together: Lead by Design, Spark Creativity, and Shape the Future with the Power of Co-Creation Chris Deaver, Ian Clawson, 2023-12-05

Brave Together is a powerful book that can transform the lives of leaders, creators, or anyone looking to shape the future. It comes from the thought leaders who helped Apple shift the culture from thinking different to working different together. Groundbreaking. Get ready to be inspired and join the co-creation movement. Marshall Goldsmith, Thinkers50, 1 Executive Coach and New York Times bestselling author of The Earned Life. Brave Together is an exhilarating exploration of genuine collaboration where every voice matters and every idea is a potential catalyst for transformation. Daniel H. Pink, 1 New York Times bestselling author of Drive. To Sell is Human and The Power of Regret. How did Apple overcome a culture of secrecy? How did Pixar out-innovate Disney? Why do companies kill creativity? Does Shark Tank teach us something about the way we pursue success that isn't true? We've been told that working harder and smarter is the only way to succeed in business and life. But it's not true. Hustle culture is causing burnout and pain in our lives, making us feel divided. What if instead we focused on working creatively with others? And asked: How can we shape cultures people love? There is hope in co-creation. Brave Together is a deep exploration into how we can live and lead as co-creators, filled with unexpected stories, powerful principles, and a future-oriented framework. The authors have pressure-tested this work with startups and Fortune 500s, including Apple. Coaching leaders how to reimagine their approach to culture, converting creative ideas into billion-dollar solutions with the help of these patterns: The Mirror, Test, Take ownership of your reality and your creative identity; The Hero's Sacrifice, Break free of ego to connect with others in inspiring ways; Become the Future, Create a synthesis manifesting the best in mind, heart, and spirit. Chris Deaver and Ian Clawson have written a handbook that challenges the status quo approach to leadership, work, and culture. It offers the path to a bright future that isn't self-made but shared.
