who love Raven Kennedy Amanda Bouchet and Carissa Broadbent Just hours after humans are born the gods take what little power we have In return they protect our borders from the vicious merciless fae The humans who manage to keep their power are known as the corrupt And they are put to death When my forbidden power is discovered I m forced to flee my tiny village and the life I adore To survive I make a desperate bargain with the mercenary A dark and brooding man Whose face I have been seeing in my dreams It s agreed that I ll help him into the city And he ll help me learn to wield the strange dark power I ve always kept hidden The power that may just be the key to my survival But the ruthless mercenary is hiding secrets of his own Secrets that threaten the safety of everyone I love Secrets that could tear this kingdom and perhaps even this world apart Tropes Themes 1 Enemies to lovers 2 Forced proximity 3 Magic [Chase the Dark](#) Annette Marie,2025-08-05

Piper wants one thing in life to become a Consul a keeper of the peace between humans and daemons There are three obstacles in her way The first is Lyre An incubus He s sinfully seductive unusually perceptive and flirtatious when he s not being a smartass But for a daemon with supernatural allure he s strangely averse to drawing attention to himself or his secrets The second is Ash A draconian He s absurdly powerful dangerously unpredictable and a notorious mercenary Wherever he appears trouble follows and now he s lurking around Piper s Consulate with ulterior motives she can t begin to guess The third is the Sahar Stone A legendary artifact with the potential to unleash untold destruction It was under her father s protection until thieves attacked their Consulate went on a murder spree and abducted her father But no one realizes that her father doesn t have the Sahar Stone Piper does Now she s on the run with every daemon in the city hunting for the Stone and for her She has to keep the artifact a secret while trying to save her father and there are only two daemons she can turn to for help See problems one and two Celebrating Chase the Dark s 10th Anniversary the second edition features a revised story new scenes and a new cover **The Night Realm** Annette Marie,2025-08-05 Clio isn t a thief She isn t a spy a soldier or a diplomat Aside from her rare ability to mimic spells her only notable talent is gardening But with a war threatening her homeland and her half brother the nymph prince pleading for her help she agrees to attempt the impossible stealing deadly magic from the best spell weavers in the three realms Their stronghold is located deep in the Underworld which is exactly the sort of place an Overworld nymph like her should never go Getting in won t be that hard Getting out alive is the impossible part Lyre is a master of two skills spell weaving and seduction As an incubus he can enthrall any woman he desires As a master weaver he can create any spell imaginable but not the spells of death and destruction that his ruthless family specializes in A master weaver who can t or won t contribute to the family legacy is a liability that won t be tolerated for much longer And when a nosy Overworld nymph starts probing into his secrets and draws the attention of his sadistic brothers his odds of survival take a nosedive Because some magic was never meant to be woven And while Lyre s most dangerous creation could be powerful enough to save Clio s homeland it s terrible enough to destroy far more And neither Clio s mimic ability nor Lyre s spell weaving will save them from its power Celebrating the 10th

Anniversary of the best selling Steel Stone series the second edition of The Night Realm features a revised story and new cover **Still the Sun** CHARLIE N. HOLMBERG, 2024-07 An ancient machine holds the secrets of a distant world's past for two intimate strangers in the latest romantic fantasy adventure by Wall Street Journal bestselling author Charlie N Holmberg. Pell is an engineer and digger by trade unearthing and repairing the fascinating artifacts left behind by the mysterious Ancients who once inhabited the sunbaked planet of Tampere. She'll do anything to help the people of her village survive and to better understand the secrets of what came before. Heartwood and Moseus are keepers of a forbidding tower near the village of Emgarden. Inside are the remnants of complex machines the likes of which Pell has never seen. Considering her affinity for Ancient tech the keepers know Pell is their only hope of putting the pieces of these metal puzzles together and getting them running. The tower's other riddle is Heartwood himself. He is an enigma distant yet protective to whom Pell is inexplicably drawn. Pell's restoration of this broken behemoth soon brings disturbing visions and the discovery that her relationship to it could finally reveal the origins of the tower's strange keepers and the unfathomable reason the truth has been hidden from her.
