## **Black Denim Lit #8: Return to Waypoint 5**

Josh Roseman, Madeline Popelka, Clarissa N G, Cheryl McAlister, Zack Miller, Lisa Shapter, Ken Poyner, Joe Christopher, Ben Spies, Julie Reeser, 2014-11-30 The December 2014 issue edited by Christopher T Garry features 160 pages of never before seen stories from ten new authors creating narratives that are variously dark, cynical, inspiring, violent, and longing. Black Denim Lit is a monthly journal of fiction available on the web and eReaders. Cataclysm by Madeline Popelka The death of a cat brings about the end of the world. The Things We Hide by Clarissa N G Yuen deals with a haunting while mourning. Return To Waypoint 5 by Josh Roseman Kage seeks dangerous answers about family and connections at an old space port. Bit by Bit by Cheryl McAlister An unlikely pairing highlights the need for connection. The Patchwork Girl by Zack Miller A post-pandemic world doesn't change needs of a girl missing a family. Searching by Lisa Shapter Three men decide the fate of a lost corpsman. Establishment by Ken Poyner The local watering hole isn't just for the bone and protein crowd. The Degenerate by Joe Christopher A young working man finds an unlikely reason to change direction. Maybe This'll Be the One That Finally Gets Me by Ben Spies A veteran recounts his experience in the gulf coast disaster. Gathering Gold by Julie Reeser Mae deals with loss of her mother and transition to a new life. This draws from fantasy, crime, science fiction, and straight drama for our selections. Such genre variety is brought together under the common thread of rich characterization. In all the stories this month these are human beings at odds. Whether facing a gun, an alien, the choice to live or to die, or the vastness of space, each of these players respond from a very deep place of truth. And regardless of which genre can be applied, the authors have surprises in store.

**English All Around Us (D)** Sandi Ward, Annita Ward, Sean Gale, et al., 2015-09-01 The English All Around Us D senior level textbook is designed to give English students practice in question types appearing on the TOEIC and in general English vocabulary and phrases that are useful for TOEIC preparation. Each of the book's eighteen units concerns general topics similar to those found on the TOEIC. The topics covered in English All Around Us D are Current Issues, Business, Travel, People, Health, Economics, Culture, Environment, Daily Life, and Technology. It is a general language

derived from these topics that provides many of English All Around Us D's test questions. The level of language encountered in English All Around Us D is very similar to that found on the TOEIC; it is generally at a higher level than that of English All Around Us A, B or C. However, students preparing for TOEIC should remember that they are not required to know specialized business and technical vocabulary. Accordingly, English All Around Us D is not intended only to teach vocabulary and phrases but also to create through reading passages larger contexts where students will need to think about and respond to the topics herein.
