## Tactical Readings

**Tactical Readings** Nicola Pitchford,2002 Both writers novels borrow heavily from other authors and in doing so they offer strategies for a politically committed rereading of literary history and its interaction with the popular imagination

**Map Reading and Military Sketching** Paul Stanley Bond,1922 *Interlingual Readings of Political Discourse*,2024-02-06 This volume provides a timely reflection of this growing interdisciplinary field of translation interpreting and political discourse It includes very recent work carried out by researchers from a range of countries The chapters illustrate new trends and perspectives in the interdisciplinary research field and extends previous research The volume covers both translation and interpreting modes in monolingual bilingual and multilingual contexts It features the convergences and synergies between the two modes and thus provides new insights on these different modes of language communication Furthermore instead of situating translation in politics or politics in translation the volume treats political discourse and translation interpreting at equal levels thus allowing more room for the discussion of the interdisciplinary nature of the field

**Reading as Collective Action** Nicholas Hengen Fox,2017-10-01 Literature is powerful It offers respite It provides access to beauty and horror to new places new people and new ideas It can as the phrase goes change your life Good things all of them But also somewhat limited goods they re all pretty passive pretty private you might even say self centered Reading as Collective Action shifts our focus outward to another of literature s powers the power to reshape our world in very public very active ways In this book you will encounter readers who criticized the Bush administration s war on terror by republishing poems by writers ranging from Shakespeare to Amiri Baraka everywhere from lampposts to the New York Times You will read about people in Michigan and Tennessee who leveraged a community reading program on John Steinbeck s The Grapes of Wrath to organize support for those in need during the Great Recession and to engage with their neighbors about immigration You will meet a pair of students who took to public transit to talk with strangers about working class literature and a trio who created a literary website that reclaimed the working class history of the Pacific Northwest This book challenges dominant academic modes of reading For adherents of the civic turn it suggests how we can create more politically effective forms of service learning and community engagement grounded in a commitment to tactical grassroots actions Whether you re a social worker or a student a zine maker a librarian a professor or just a passionate reader with a desire to better your community this book shows that when we read texts as tactics that book changed my life can become that book changed our lives

**Military Sketching and Map Reading** Loren Chester Grieves,1918 **Military Sketching and Map Reading for Non-commissioned Officers** Loren Chester Grieves,1917 **Military Map Reading** Clarence Osborne Sherrill,1912 *Elements of Military Sketching and Map Reading* John Bryson Barnes,1917 **Manual of Map Reading, Photo Reading, and Field Sketching, 1929** Great Britain. War Office,1929 **Readings in Microeconomics** William Breit,Harold M. Hochman,1968 **Field Artillery Manual** Arthur Riehl Wilson,1928 Notes

on Map Reading, 1929 Great Britain. War Office,1929      **Manual of Map Reading and Field Sketching, 1912** Great Britain.
