**Brief History of Social Problems** Frank J. McVeigh, Loreen Therese Wolfer, 2004 In this book Frank McVeigh and Loreen Wolfer take an historical approach to examine the causes and conflicts behind ten major social problems that have existed for nearly 230 years. Using a critical thinking perspective of the history, sociology, politics and economics of the period the authors analyze social problems as a series of conflicts between those with power and those who were at one time virtually powerless. Embedded in this analysis is a discussion of how the shift from a *Gemeinschaft* to *Gesellschaft* society has influenced how we address these problems. Using these themes McVeigh and Wolfer provide thought provoking insight into the ways individuals, groups and social institutions change over time, gaining or losing power. The book contains a preface by Arthur Shostak, Drexel University.
