Gardner, Betsy O. Barefoot, 2012-02 Written by the leading authorities on the first year seminar and grounded in research **Your College Experience** by John Gardner and Betsy Barefoot offers today's diverse students the practical help they need to make the transition to college and get the most out of their time there. Goal setting has always been central to this text and the Tenth Edition has been revised with added coverage and activities to strengthen this material throughout. In addition a new focus on self assessment of strengths will help students see where they are already succeeding so that they get off to a great start and stay in college. A full package of instructional support materials including an Instructor's Annotated Edition, Instructor's Manual, PowerPoint slides, videos and a Test Bank provides new and experienced instructors all the tools they will need to engage students in this course and increase student retention **Your College Experience Concise Edition** John N. Gardner, A. Jerome Jewler, Betsy O. Barefoot, 2010-12-08 Authored by three of the nation's leading experts on the first year experience this Concise version of **Your College Experience** presents a straightforward, realistic and intelligent review of the skills students need to succeed in college. This less expensive, streamlined Concise edition offers an expanded academic focus through added coverage of writing, speaking, the library, research and information literacy. Particularly relevant to today's students a new Money chapter discusses managing money, building credit and financing college. A new chapter on Emotional Intelligence explains what emotional intelligence is, why everyone should understand it and why it matters in college. A fresh, clean new design eliminates clutter so that students can focus on the important topics **Basic Study Skills** Catherine Dawson, 2013-08-15 This book is aimed at students at almost every level including college and university, adult learners, access students and students on correspondence and distance learning courses. It will be particularly valuable for those who have been out of a learning situation for some time and are lacking the confidence to re-enter the educational environment. The book covers all aspects of study skills from improving reading, writing, listening and thinking skills to knowing how to study independently, conduct research and take tests and examinations. The user friendly and accessible format enables readers to dip in and out of the book whenever they need to brush up on a particular skill. It also includes useful exercises, addresses websites and further reading for those who wish to follow up the information provided in the book **Essential Study Skills** Tom Burns, Sandra Sinfield, 2003 The second edition of this bestselling book is publishing in April. **Essential Study Skills** is designed to be the complete practical guide to academic success covering everything from what it means to be a university student to how to succeed in exams.
