## **Tales From An Alien Campfire:**

Tales from an Alien Campfire Irene Radford, Bob Brown, 2015-02-27 People have loved to go camping in the great outdoors ever since our ancestors escaped the great outdoors to discover the joys of indoor living Here twelve veterans of the camping experience both seasoned and new authors present tales born in the woods home grown around the campfire in the oldest of storytelling tradition Join in as they tell their tales some serious and some silly Stories borne of time spent with an audacious Pug mascot good food decent wine and some spooky howls deep in the woods You will find aliens They want more than our women they want that perfect vacation Experience an attempt to reclaim a devastated Earth by camping out and exploring Is it really a Sasquatch snitching the French toast All of this and more are tales told around an Alien campfire

**The Campfire Collection** Gina Hyams, 2005-05-05 You can run but you can't hide The thinking outdoorsman's handbook to the heebie jeebies this third volume of our Campfire Collection gathers thirteen terrifying tales of alien abductions encounters and freakish forays into the unknown Perfect to read aloud around a fire or in the comfort and relative safety of a cozy armchair Thrilling Chilling Tales of Alien Encounters offers stories from such masters of fright as Stephen King Philip K Dick Damon Knight and more Designed with rounded corners a durable cover and large type for easy reading by campfire or flashlight this rugged companion is more than trail ready for any excursion With an unnerving introduction by Michael Berry science fiction and fantasy book reviewer for the San Francisco Chronicle this creepy collection confirms that sinking feeling that something is just not quite right

*Campfire Tales* Thomas Emmett, 2024-08-03 Matt Simpson hates school He has never liked it Not elementary not middle and certainly not high school All he hears is read this learn that do this memorize that And the older he gets the more work he has to do He would much rather be at home watching his favorite alien movies instead At least he doesn't get tested on those Now he just found out that his favorite teacher is going to be out sick for a while and a new substitute will be taking over Matt's willing to give him a chance but the new guy is a little weird He has an odd look about him not to mention the smell Then there are the strange noises he makes when he walks and the weird looks he gives the class hamster And who knows what he puts in his lunch box Matt insists that something isn't quite right here Then one day after school he finally realizes the truth His new teacher isn't from around here In fact he's not even from the same galaxy Unfortunately he's sure that Matt knows the truth and he isn't about to let his secret get out Will Matt end up being his teacher's next meal Find out in *My Teacher is an Alien* Well... *It's Your Cow* Sam Knight, Frances Pauli, R.J.J. Goude, Lee French, Elizabeth R. Alix, Joyce Reynolds-Ward, William Graves, Olivia Baxter Hudson, Sanan Kolva, Frog and Esther Jones, Madison Keller, Deby Fredericks, Thomas Gondolfi, G.R. Theron, Kaye Thornbrugh, Voss Foster, Bethany Loy, Manny Frishberg, Ryan Riddell, 2018-11-10 In the throes of a convention full of geeks Frog Jones told a story That story is found in this book's foreword but the key line from the story became the title of this anthology The authors seized upon that line much like an out of control bovine seizing its own halter and stampeded into the volume you see before you This is not just a

comedy anthology Nor is it horror or romance or literary or well any one thing Rather it is all those things Each story starts exactly in the same place But each author immediately leaps from there into their own world This anthology celebrates the creativity of these authors because it does not shackle them to a theme The starting line is the same the finish line is on other planets in other times and in alternate realities You re not going to feel cohesiveness reading this thing It s not going to be several stories hitting the same note But you are going to experience a wider panoply of stories than you would in other anthologies And as to what you make of them or what stories they may inspire in you Well that s your cow
