**Talking Doctrine** Richard J. Mouw, Robert L. Millet, 2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible common ground in their beliefs With both candor and generosity these essays reflect the thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past

**Talking with Mormons** Richard J. Mouw, 2012-04-30 For over a decade Fuller Seminary president Richard Mouw has participated in Mormon evangelical dialogue with a view to developing a better understanding between the two groups His participation in these discussions has drawn severe criticism and even anger from people who believe such talks are pointless or even dangerous This brief highly accessible book is his answer Advocating humility patience and a willingness to admit our own shortcomings Mouw shows why it is necessary to move beyond stark denunciation to a dialogue that allows both parties to express differences and explore common ground Without papering over significantly divergent perspectives on important issues like the role of prophecy the nature of God and the creeds Mouw points to areas in which Mormon evangelical dialogue evidences hope for the future In so doing he not only informs readers but also models respectful evangelical debate

**Sharing the Good News with Mormons** Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it Someone you know is a Mormon a family member a coworker a friend or a neighbor and you long to present the truth about Jesus and what God's Word teaches But where do you start How can you convey what's on your heart in a way that will be well received Every relationship and situation is unique and that's why these essays from respected scholars apologists and pastors including Sandra Tanner Robert Bowman David Geisler Bill McKeever Mark Mittelberg J Warner Wallace Lynn Wilder and others lay out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you're unprepared Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it

**Speaking the Truth in Love to Mormons** Mark J. Cares, 1998-04-01 Though it's called the Church of Jesus Christ of Latter Day Saints the Mormon faith isn't Christian Defining the key issues of Mormonism and how to witness in a non-confrontational loving way is the mission of the highly acclaimed book *Speaking the Truth in Love to Mormons* Written by Reverend Mark Cares who has witnessed in the western United States for two decades this book shows how we can point our Mormon friends to salvation through faith in Jesus Christ Also available are simple to follow witness tracts and witness guides

*Engaging with Mormons* Corey Miller, 2020-11-01 Many people see Mormons as just another branch of the

Christian church and to be admired perhaps for their family life morality and upright culture But the theology and spirituality of this cult are very far from an orthodox biblical understanding of true saving faith And yet Christians are often fearful of engaging in conversations about the gospel with Mormons knowing that there are suspicions and complex issues that lie beneath the surface This short book is designed to help both Christians and whole churches to understand more about the beliefs mindset and motivations of those who are members of the Church of Jesus Christ of the Latter Day Saints Mormons and to reach out to them with the good news of the gospel Written at a level that everyone can understand this book emphasizes the importance of forming loving honest and open relationships as part of the way we engage with our Mormon friends and neighbors and with those who may come knocking at our doors **Sharing the Good News with Mormons** Eric Johnson, Sean McDowell, 2018-06-05 How do you share the gospel with those who don't think they need it Someone you know is a Mormon a family member a coworker a friend or a neighbor and you long to present the truth about Jesus and what God's Word teaches But where do you start How can you convey what's on your heart in a way that will be well received Every relationship and situation is unique and that's why these essays from respected scholars apologists and pastors including Sandra Tanner Robert Bowman David Geisler Bill McKeever Mark Mittelberg J Warner Wallace Lynn Wilder and others lay out a variety of creative methods for sharing the gospel effectively so you can initiate authentic conversations respond with compassion and clarity to Mormon teachings understand your Mormon friends and find ways to keep the dialogue going Speaking the truth to Mormons can feel daunting when you're unprepared Let the suggestions in this book give you solid ideas for reaching those who are lost but don't realize it *Mormonism For Dummies* Jana Riess, Christopher Kimball Bigelow, 2011-03-04 Get the facts on temples tithing missions and caffeine Mormon doctrines rituals and history demystified at last Mormonism or the LDS Church is one of the world's fastest growing religions But unless you were raised a Mormon you probably don't have a clear picture of LDS beliefs and practices Covering everything from Joseph Smith and the Book of Mormon to tithing and family home evening this friendly guide will get you up to speed in no time Discover How the LDS Church differs from other Christian churches What Mormons believe What happens in Mormon temples and meetinghouses The history of the LDS Church LDS debates on race women and polygamy Mormon Christianity Stephen H. Webb, 2013-09-02 Mormons are adamant that they are Christian and eloquent writers within their own faith have tried to make this case but no theologian outside the LDS church has ever tried to demonstrate just how Christian they are Stephen H Webb's *Mormon Christianity What Other Christians Can Learn from the Latter day Saints* fills this void as the author writes neither as a critic nor a defender of Mormonism but as a sympathetic observer who is deeply committed to engaging with Mormon ideas Webb is unique in taking Mormon theology seriously by showing how it provides plausible and in some instances even persuasive alternatives to many traditional Christian doctrines His book can serve as an introduction to Mormonism but it goes far beyond that Webb explains how Mormonism is a branch of the Christian family tree that extends

well beyond what most Christians have ever imagined His account of their creative appropriation of the Christian tradition is meant to inspire more traditional Christians to reconsider the shape of many basic Christian beliefs Mormon Christianity is not all affirming and celebratory It ends with a call to Mormons to be more focused on Christian essentials and an invitation to other Christians to be more imaginative in considering Mormon alternatives to traditional doctrines
