**Supernatural Communication** Rachel Hickson,2006-10-01 Prayer is more than just talking to God it is an adventure in supernatural communication that changes people and their world Supernatural Communication stresses the importance of finding a personal style and method of prayer rather than following prescribed formulas Hickson s comprehensive guide covers every facet of prayer that the modern prayer warrior needs to know including developing a consistent prayer life different types and styles of prayer characteristics of a successful prayer warrior prayer walking learning to wrestle and wage war the liquid prayer of power tears strategic prayer for cities This powerful and intimate look at communicating with God on behalf of his children will grip any reader interested in intercessory prayer from national ministry leaders and prayer warriors to the quiet intercessor at home

The Power of Irresistible Prayer Johnson Obamehinti,2010-07-29 The Power of Irresistible Prayer contains life learned principles on prayer from a former Muslim who discovered God s love and purpose in prayer Prayer seems so basic yet so profound that it takes discipline and practice in order to grow it Have you ever wondered why fasting and prayer was important Do you know that names have purpose and meaning in prayer Are you hungry for a fresh prayer mantle from heaven These and other answers coupled with Johnson s testimony are explored in The Power of Irresistible Prayer From prayer tools to sample prayers and protocols you will be challenged to a deeper walk with God in the place of prayer
