Chronicles of Sekhmet on Olmecra Book 2 indigo ptah,2022-09-21 In the Ancient Lands of Kemet Goddess Sekhmet is a Legendary Lioness Woman In the chronicles the famous lioness woman NTR is tasked with raising the vibrational energies of humans on a specific part of Earth called Olmecra And unless there is an elevation in vibrations Earth will not ascend with the other planets in its galaxy The Matriarchy of the Kemetic Pantheon and Cosmic Goddesses are the protagonist of the book displaying their best nurturing attributes The story is being told from a divine feminine perspective in a way Goddess Sekhmet is not traditionally typified For those who study the Ancient Egyptians and or Kemet metaphors will develop into myth And for those who are new to the subject matter the interaction of the immortals with humans will encourage readers to seek what is seeking them This novella is unique in that few stories are dedicated to the African Cosmic Pantheon as compared to books popularized by Greek and Roman mythology Book Two is the second of a series of seven novellas that chronicle how the Goddess Sekhmet assists humans to help Earth ascend In Book One three exceptionally conscious women face individual crisis situations And to the surprise of themselves and their community they gain the gift to transform into a lioness woman to balance out their circumstances Another exceptional woman takes their signal to begin a new purpose quest to assist with Earth s ascension The main antagonist status quo of patriarchy in the form of selfish systematic supremacy attempts to progress its parasitic programming practices by spreading fear and eating away at natural energy resources on the planet and beyond But the forces of nature get more involved in Earth s evolution As an exceptional man embraces his animal spirit to provide and protect the path of the lioness women Book Two continues the chronicles in Book One with immortal conversations and early background on how and why Olmecra was formed The stories may seem

controversial to some but are non confrontational And the story lines are never meant to make accusation of anyone or any group of people But rather what is emphasized is the misuse of spirituality and the decline of the human condition As the author evolves the chronicles she hopes the concept of Personal Agency is encouraged so the reader expands their thoughts on their individual journey and how their purpose fits in the Universe

Hands on Film Barry Monahan,2025-10-01

Hands on Film is a comprehensive study of the representations and on screen uses of the human limb spanning the history of the cinema from its birth to contemporary times It examines how filmmakers have framed the hand for a variety of effects from stylistic to thematic and for the development of characterisation and narrative The book offers insights into how films have created meaning by focusing on that part of the anatomy and in turn proposes a variety of ways in which its on screen appearances might shed light on what it means to be sentient cultured and creative beings in the world

Thai Cinema Uncensored Matthew Hunt,2020-10-01 Thai Cinema Uncensored is the first full length study of Thai film censorship Informed by access to rare and controversial films the author provides a history of film censorship in Thailand from its beginnings when films were censored by the police for ideological reasons to the present when issues such as politics religion and sex are the main reasons for Thai films being banned Although a rating system was finally introduced in 2008 film censorship remains bureaucratic opaque and conservative The book also examines how Thai filmmakers approach culturally sensitive subjects and how their films have been censored as a result It contains interviews with ten leading directors including candid and extended conversations with Thai New Wave veterans Apichatpong Weerasethakul and Pen ek Ratanaruang The directors all discuss their most controversial films which range from mainstream studio movies to independent arthouse releases and explain their responses to censorship some took the censors to court while others withdrew their films from Thailand altogether About the author Matthew Hunt is a former features writer and journalism lecturer He has a Master s degree in Visual Culture Since moving to Thailand from the UK in 2004 he has written about Thai culture on his website Dateline Bangkok What others are saying Matthew Hunt s Thai Cinema Uncensored documents the laughter the ridiculousness and the fear behind our fragile facade I hope that in the near future this fascinating record will read more like fiction a horror tinged with comedy to our young filmmakers Apichatpong Weerasethakul

Religion in Japanese Daily Life David C. Lewis,2017-09-22 Are Japanese people religious and if so in what ways David Lewis addresses this question from the perspective of ordinary Japanese people in the context of their life cycles and explores why they engage in religious activities He not only discusses how Japanese people engage in different religious practices as they encounter new events in their lives but also analyses the attitudes and motivations behind their behaviour Activities such as fortune telling religious rites in the workplace ancestral rites and visits to shrines and temples are actually engaged in by many people who view themselves as non religious but express their motivations in terms other than the conventional religious ones This book outlines the religious options available and assesses why people choose particular religious activities at various times in their

lives or in specific circumstances The author challenges some widespread assumptions about religion in urban and industrial contexts and also shows how some of the underlying motivations behind Japanese behaviour are expressed both in religious and non religious forms **Supernatural** Ian Fenelon,2021-01-27 Supernatural Wall Calendar 2021 is Great Gift for anyone love the Tv Series and Movie Calendar Includes Highest premium quality paper 12 brilliant high resolution images full color Modern 18 months grid planner in English and Spanish including US Canada and UK holidays Perfect for jotting down ideas and for all your daily reminder needs Nicely printed calendar glossy cover design Calendar Size 8 5 x 11 inch
