### **Book 14 Mysticism HC Kurt Jurgensmeier, 2012-08-22**

Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical amoral revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklēte in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways

### **Book of the Authentic Darrilyn M Wilson, 2014-02-07**

The user friendly authentic God for the independent believer Book of the Authentic is a self improvement self validating spiritual book for the independent believer If you are a person who values honesty and is willing to apply that trait to knowing the real deal about God then you will love this read Let's face it today most folks no longer view spiritual matters the same way their parents or grandparents did Spirituality and what God means to people and how they identify with him has changed Millions also no longer actively take part in the religion they were raised in The question is why What happened Are people running from something or to something I found it to be the latter Most people are in their own way running to something It is something that by instinct they perceive to be better That better is a kinder more user friendly God than what they were raised to have The ramifications of such an action through the years by millions of people has been powerful enough to begin changing how the world believes and how they envision God personally and that phenomenon keeps evolving As I wrote this book I began to call this new sought after kinder more user friendly God the Authentic God Digging for the full disclosure of this God spanned several years of my life and challenged me to the core In the end my questions were answered I found true peace and I have fully embraced becoming a free and independent believer It is my wish you will find this writing deeply inspiring spiritually liberating and perhaps even life changing Thanks for reading it

### **Book 10 Miracles HC Kurt Jurgensmeier, 2012-08-22**

How does God supernaturally

reveal Himself This book is a detailed introduction to the complex controversial but vital topic of miracles The topic would be difficult enough but the claims and teaching of charismatism have made a biblical understanding of miracles even more critical but also more complicated In the course of this Bible study we endeavor to answer such questions as What is a miracle How do we avoid the extremes between anti supernaturalism which claims there are no miracles and super supernaturalism which claims an abundance of them What are the different types of miracles and why is it critical to distinguish them What are the myriad of ways that God has miraculously spoken and which of these can we expect today What is the biblical place and attributes of dreams and visions What is the embarrassing history and alarming dangers of the super supernaturalism at the heart of the charismatic movement    **The Book of Psalms** Alexander Maclaren,1909

*Book 8 Apostles HC* Kurt Jurgensmeier,2012-08-22 How was NT Scripture created The Apostles are our only link to the truths of the New Covenant we are saved by and live by Who were these men How did they obtain such divine revelation How can we know they did We make the following claims in this book It was through the Scripture gift of divine knowledge and wisdom that Apostles obtained a store of revelation from which they wrote from This revelation was not received through some subjective mystical experience referred to as inspiration but the Apostles physically saw or heard the revelation or received it in visions and then accurately recorded it 1 Corinthians 13 8 13 teaches that the Scripture and sign gifts claimed by charismatism today were predicted by the Apostle Paul to cease with the completion of the NT revelation and history confirms this very thing Theories of inspiration for the creation of Scripture are unnecessary and no where supported in Scripture    Relaxation, Meditation, & Mindfulness Jonathan C. Smith,2005-03-04 Based on a newly revised theory of relaxation ABC2 Relaxation Theory devised by the author this book explains why hundreds of techniques used by professionals typically sort into six groups The integration of these groups forms the core of the book Smith s findings also reveal that not only can relaxation go beyond stress management but that different families of relaxation have different effects Rich with practical suggestions and concrete illustrations of application this comprehensive training guide details the following techniques Yoga Stretching Progressive Muscle Relaxation Breathing Exercise Autogenic Suggestion Imagery Relaxing Self Talk Meditation including Mindfulness Special applications include relaxation with children relaxation and pain management relaxation spirituality and religion    The Critical Review of Theological & Philosophical Literature ,1891
