Skeleton in My Closet Wynn-Anne Rossi,2012-06-06 Oh dear it seems that a skeleton may be trapped in your closet But who s in real trouble here It seems the closet that poor Mr Skeleton is trapped in is quite messy and gross even for a monster This Elementary solo is written in D minor 4 4 with a pickup measure providing the student with the opportunity to challenge themselves and be in charge of starting the performance What follows is a conversation between Mr Skeleton and the student that offers wide ranges in dynamics as well as frequently changing articulation that will provide a rewarding challenge for any student The optional accompaniment offers to enhance the quirky and comical nature of this wonderful twist on the monster in my closet tale **A Piece of Cake (walk)** W. T. Skye Garcia,2013-04-25 Students can experience 19th century ragtime first hand with A Piece of Cake walk Originally written as a dance the cakewalk was often performed by banjo upright piano or small jazz bands Students should picture these instruments as they strut across the keyboard in style Chromatic lines rise and fall above a playful staccato bass line as this 4 4 solo in C major dances its way through many varied dynamics and accent marks These accent marks should be played with great gusto to truly capture the dance style of the cakewalk A Federation Festivals 2016 2020 selection The Entertainer Scott Joplin,Willard A.
