of geographical and educational contexts around the world The volume aims to enhance understanding of early language teacher education as well as to address the need to prepare early language teachers and assist them in their professional development The chapters focus on the complexity of teacher learning innovations in mentoring and teacher supervision strategies in programme development and perceptions and knowledge and assessment in early language learning teacher education The volume offers comprehensive coverage of the field by addressing various aspects of teacher education in different languages The contributions highlight examples of research into current practice in the professional enhancement of early language learning teachers but with an emphasis on the implications for practitioners *The Assistant Principal's Handbook* Jeffrey Glanz,2004-04-19 Tips and tools to turn APs into VIPs Long considered an under appreciated and under utilized position the role of the assistant principal is finally getting the attention and respect it deserves In this truly indispensable companion current and prospective administrators will gain concrete suggestions and solutions to maximize their impact effectiveness and satisfaction in this critical position Uncovering major obstacles assistant principals have faced in trying to meet their personal and professional goals The Assistant Principal's Handbook uses this perspective as a backdrop for change based on democracy caring and respect In this perceptive exploration into the assistant principal's duties you will discover how to Hone leadership skills especially related to curriculum supervision evaluation and discipline Stimulate an atmosphere of learning and achievement Make the assistant principalship more than just a principal in training position Develop relationships with peers and teachers based on respect Share responsibilities with teachers as a way to build trust and collegiality Insightful chapters are packed with straightforward ways to avoid administrative frustration yet cultivate instructional support and the reflective exercises real life scenarios and vignettes drive home key points

Building Effective Learning Communities Susan Sullivan,Jeffrey Glanz,2006 Establish collaborative learning communities that foster high academic standards Today's school leaders face a difficult reality the pressure to meet national standards often eclipses the pursuit of additional academic goals This groundbreaking text seeks to remedy this conflict by enabling practicing and prospective school leaders to build collaborative constructive environments that not only help schools achieve national standards but also help the school community realize high academic standards Sullivan and Glanz put forth a conceptual framework centered on modeling reflective practice This framework and the authors suggested strategies and techniques provide school leaders with Approaches that can be employed at all educational levels Materials that educate leaders about themselves Tactics for building a reflective learning community Suggestions for promoting individual and group development Discover the techniques that foster collaborative learning communities in which all members of the school community advance high academic standards *Educational Administration Abstracts* ,2001 *The Rural Educator* ,2006 **Instructional Leadership as Art** Zach Kelehear,2008-02-07 In this book Zach Kelehear offers readers a new perspective on an important dynamic and sometimes daunting issue managing successful school based

leadership Kelehear uses an arts based approach to weave together notions of research based leadership skills for successful school based management with standards of professional competence as represented by the Interstate School Leaders Licensure Consortium ISLLC Standards for School Leaders The author encourages readers to engage in the seemingly persistent problems and old trials of school management from a new perspective resulting in some refreshing possibilities for supporting student achievement in schools It is also the goal of this arts based approach that the reader might begin to more fully recognize the complexity of leading and managing students and teachers within the constantly evolving culture of today's schools As a result of this qualitative inquiry the author invites a new vision for old assumptions in schools for teacher leadership and for student learning Resources in Education ,1995-04 *Annual Catalogue of the Florida State Normal and Industrial College for Colored Students* Florida Agricultural and Mechanical College,Florida Agricultural and Mechanical College for Negroes,State Normal and Industrial College for Colored Students (Tallahassee, Fla.),State Normal and Industrial School for Colored Students (Tallahassee, Fla.),1974 **Schools as Professional Learning Communities** Sylvia M.
