**Surface Detail** Iain M. Banks, 2010-10-28 *Surface Detail* is among Iain M Banks Culture novels a breathtaking achievement from a writer whose body of work is without parallel in the modern history of science fiction It begins in the realm of the Real where matter still matters It begins with a murder And it will not end until the Culture has gone to war with death itself Lededje Y breq is one of the Intagliated her marked body bearing witness to a family shame her life belonging to a man whose lust for power is without limit Prepared to risk everything for her freedom her release when it comes is at a price and to put things right she will need the help of the Culture Benevolent enlightened and almost infinitely resourceful though it may be the Culture can only do so much for any individual With the assistance of one of its most powerful and arguably deranged warships Lededje finds herself heading into a combat zone not even sure which side the Culture is really on A war brutal far reaching is already raging within the digital realms that store the souls of the dead and it s about to erupt into reality It started in the realm of the Real and that is where it will end It will touch countless lives and affect entire civilizations but at the center of it all is a young woman whose need for revenge masks another motive altogether The Culture Series Consider Phlebas The Player of Games Use of Weapons The State of the Art Excession Inversions Look to Windward Matter *Surface Detail* The Hydrogen Sonata

**Masculinity in Contemporary Science Fiction by Men** Sara Martín, 2025-05-30 *Masculinity in Contemporary Science Fiction by Men* No Plans for the Future is the first comprehensive study of the self representation of men in SF novels published in the twenty first century by male authors Exploring a broad selection of writers and works the fourteen chapters present a panoramic overview of men s contributions to current SF and explore their slow but noticeable progress in the representation of gender The impact of feminism and gender studies and the demands of readers have profoundly transformed men s SF which now presents far more caring and vulnerable male characters The old stereotypes are being replaced by a collective reflection on how men and masculinity are changing though the lack of a common agenda results in novels that while exciting and often challenging sometimes miss the chance to imagine a better anti patriarchal pro feminist future for men and for all human beings The authors analysed include Robert Charles Wilson Geoff Ryman Samuel R Delany Richard K Morgan John Scalzi Iain M Banks Ernest Cline James S A Corey Colson Whitehead Andy Weir Daniel H Wilson Ian McDonald Yoon Ha Lee Tade Thompson Neal Stephenson and Kim Stanley Robinson
