Surreality A Modern American Epic:

Surreality Jason Allan, 2014-11-06 A young man is caught between two worlds struggling to navigate the growing divide of America's rich and poor classes. Standing in the froth of a daydream society crashing headlong into the awakening of its own post peak existence he is surrounded by the temptation of the latest mainstream addiction the perversion of all things surreal. As the country devolves into an escalating torrent of mania he must choose between two paths one of personal security laced with excess and corruption or one of righteousness among the wallowing underclasses. His decision could alter the fate of the American Dream forever. The Contemporary American Monologue Eddie Paterson, 2015-12-17 Talk show confessions online rants stand up routines inspirational speeches banal reflections and calls to arms we live in an age of solo voices demanding to be heard. In *The Contemporary American Monologue* Eddie Paterson looks at the pioneering work of US artists Spalding Gray, Laurie Anderson, Anna Deavere Smith and Karen Finley and the development of solo performance in the US as a method of cultural and political critique. Ironic confession, post punk poetry, investigations of race and violence and subversive polemic this book reveals the link between the rise of radical monologue in the late 20th century and history of speechmaking, politics, civil rights, individual freedom and the American Dream in the United States. It shows how US artists are speaking back to the cultural, political and economic forces that shape the world. Eddie Paterson traces the importance of the monologue in Shakespeare, Brecht, Beckett, Chekov, Pinter, O'Neill and Williams before offering a comprehensive analysis of several of the most influential and innovative American practitioners of monologue performance. *The Contemporary American Monologue* constitutes the first book length account of US monologists that links the tradition of oratory and speechmaking in the colony to the appearance of solo performance as a distinctly American phenomenon.

Dialogue and the New Cosmopolitanism

Fred Dallmayr, 2022-11-28 Dialogue and the New Cosmopolitanism Conversations with Edward Demenchonok stands in opposition to the doctrine that might makes right and that the purpose of politics is to establish domination over others rather than justice and the good life for all In the pursuit of the latter goal the book stresses the importance of dialogue with participants who take seriously the views and interests of others and who seek to reach a fair solution In this sense the book supports the idea of cosmopolitanism which by contrast to empire involves multi lateral cooperation and thus the quest for a just cosmopolis The international contributors to this volume with their varied perspectives are all committed to this same quest Edited by Fred Dallmayr the chapters take the form of conversations with Edward Demenchonok a well known practitioner of international and cross cultural philosophy The conversations are structured in parts that stress the philosophical anthropological cultural and ethical dimensions of global dialogue In our conflicted world it is inspiring to find so many authors from different places agreeing on a shared vision

Contemporary Cinema John Orr, 2019-08-06

Contemporary Cinema is a major study of key developments in the cinema over the last thirty years It reworks Pasolini's landmark concept of the cinema of poetry to look at the transformation of film form in its encounter with society the sacred the subjective and the presence of the camera Poetic cinemas are seen as creating a distinctive match in their own cultures between critical social engagement and the delirium of form In the 1970s the influential forms of a cinema of poetry are analysed in key features by Altman Herzog Malick Scorsese Weir Von Trotta and Tarkovsky while in the 1980s and 1990s the emergence of new filmmakers has meant a diffusion of different cinemas of poetry using new techniques and new technologies Of key importance here is the work of Kieslowski Lynch Egoyan Campion Greenaway Zhang Yimou Tran Anh Hung and Wong Kar Wai as well as the reinvention of science fiction and film noir in American genre These multiple cinemas of poetry with their social commitment and stylistic delirium have created a new freshness vitality and visual impact to outrival the mainstream genre products of the Hollywood studios which currently dominate the world The most comprehensive study of major developments in the cinema during the last thirty years New insights into the transformation of 1970s cinema Shows the continuing diffusion of cinemas of poetry and the most talented filmmakers of the 1980s and 1990s Looks at the vitality of the different cinemas of poetry as aesthetic resistance to the forms of filmmaking dictated by the power and money of the Hollywood studios Illustrated with 10 black and white film stills

The A to Z of Fantasy Literature Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the

nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
